Development Ventures in Manipur: Green Skill Development and Livelihood Mission Arambam Sanatomba Singh,2021-06-18

Mother Nature has endowed Manipur with enormous ecotourism potentials. We offer immense possibilities for the growth of ecotourism and regional business. Manipur, blended with the majestic Loktak Lake and adorned with a variety of breathtaking locations, dramatic landscapes, pristine forests, rare wildlife, and an unmatched cultural diversity, our State has lots to offer to a traveler. Visited Manipur especially during the marvelous Manipur Sangai Festival, which was started as a National Calendar Event from 2010 onwards and celebrates from 21st to 30th November every year. The present work relates to the promotion of ecotourism in Manipur and it is the outcome of my experiences gained during my participation as a resource person in the Training Programme of Certificate Courses on Nature Conservation Livelihood Ecotourism organized by the ENVIS HUB Manipur, Directorate of Environment and Forests, Government of Manipur, 2018. Based on this training module, the present treatise is written with a view to enlightening the enterprising youths of Manipur to become skilled entrepreneurs and excellent ecotourism service providers through their active participation in the promotion of ecotourism in the State of Manipur. An attempt has also been made to explore and discover the huge untapped ecotourism potential areas of Manipur.

Annual Report India. Ministry of Tourism, 2012 **Parliamentary Debates, House of the People** India. Parliament. Lok Sabha, 2010-08-20 *An International Handbook of Tourism Education* David Airey, John Tribe, 2006-08-11. As tourism matures as an academic subject and the number of tourism higher education providers continues to expand world wide, there is an increasing interest in its educational aspects. At the same time, the development of research into education issues related to tourism means that there is now a developing literature on the subject. This international handbook offers a timely evaluation of the state of the art of tourism higher education. The book brings together expert contributors from around the world to present current thinking and practice about what is now a major element of education provision world wide. It is structured round four key themes: Curriculum, International perspective, Teaching, learning and assessment, Resources, progression and quality. Its global survey of tourism education offers a comprehensive basis for comparative review. In addition to setting out the development and current provision of tourism education, it also addresses cutting edge issues such as PhD education, non formal education, cultural issues in learning, research and teaching, e learning and e assessment. It offers practical advice for the design, delivery, evaluation and resourcing of courses and concludes with a reflective agenda of issues for the future.
