

ILLINOIS DEPARTMENT OF PUBLIC HEALTH
ANNUAL BED REPORT 2010

BACKGROUND

In April, 2010 your hospital completed the Illinois Department of Public Health's (IDPH) Annual Bed Report (ABR) for 2009, reporting the operational status of all beds in your facility as of 12/31/2009. The data that you submitted were incorporated into the Authorized Hospital Bed Report that was adopted by the Health Facilities Planning Board (HFPB) on October 26, 2010.

CURRENT REQUEST

Currently IDPH is requesting your hospital's bed status as of December 31, 2010. To minimize the effort required to report these data, you have been provided with a *Bed Report Spreadsheet*.

The excel file includes two tables for you to complete. The instructions for each table follow.

First, Save a Copy of the Bed Report / Excel file to Your System.

Table 1 – Summary

In Table 1 you will enter a summary of beds by category of service and by bed status category using the first four columns of the table. Based on the numbers of beds you enter in these columns, an automatically tabulated sum of beds by category of service is displayed in Column "F" and an automatically tabulated sum of beds by operational status in row "13" of the table. The far right column displays the number of currently authorized beds for your hospital by category of service.

1. Indicate the number of beds in each operational category (Physically Available Beds, Reserve Beds, CON Transitional Beds, and Non-CON Transitional Beds) as of *December 31, 2010*. See below (Page 3) for complete definitions of each operational bed category.
2. Do not include storage beds in your reported bed numbers.
3. Note that "Total Reported Beds" cannot exceed the number of "Authorized Beds – 12/31/2010" shown in the far right column.

Table 2 – Detail Report of Hospital Beds by Patient Care Unit Location and Room Number

Table 2 displays the beds reported by your facility as of 12/31/2010. Corrections to the provided beds can be made using the drop list. A drop down selection is available for the Operational status, Category of service, PCU (Patient Care Unit) compliance and approved PoC (Plan of Correction) columns. Indicate whether the bed/bed unit that are listed have been Updated, or Added or Deleted in the appropriate columns ("Change," "No Change," "Added" and "Deleted") listed on the far right side of the table. The changes that you record should indicate beds in service as of December 31, 2010.

1. *For every Bed:*
 - a. For every row in table 2, only one of the four options need to be marked (Change, No Change, Added, Deleted).
 - b. If a bed has been added or deleted, mark an "x" in either the "Added" or "Deleted" column.
 - c. Review the data and if changes are necessary (other than deletion and addition of beds), mark an "x" under "Change" column.
 - d. No change is necessary please mark an "x" under "No Change" column.
