Marilda picks the animals from the basket and lines them up on the table. "1,2,3,4,5,6" Marilda says and she points and counts to them one by one. Julia walks over "Can I get a" she asks. "No, I'm doing it" Marilda replies and Julia walks off.

Marilda sits next to Lachlan and takes the lump of play dough in front of her. Lachlan puts the basket of tools next to him. Marilda gets off her seat, walks around Lachlan and picks up a playdough tool to use, sits back down and continues with her playdough.

Sarah, Jenna and Janella are in care today. Marilda smiles as she sees them walk in with their parents in the morning. Marilda spends the day with all three of her peers, laughing, playing and interacting with them.

Interpretation

It is evident that Marilda enjoys moments of solitude during her play and works well within a team and co-operatively with others with her chosen peers.

It's important that we provide Marilda with experiences such as group games to gather involved and interacting with all peers within the room. This will enable her to demonstrate trust and confidence with all those involved during play.
