I Am Pol Pot Steve Otto, 2009-01-12 The 1970s brought us the turbulence of the Vietnam War and its protest by students and youth who were unwilling to fight for a cause that seemed unsinkable and useless When President Richard Nixon spread the Vietnam War to Kampuchea called Cambodia today he not only caused outrage and protest at home including the Kent State Ohio massacres but he also threw Kampuchea into a state of civil war His inept handling of the situation brought about one of the strangest social experiment of the 20th Century Pol Pot ruled through a committee known for the first year only as the Ankar organization His name was not even spoken to the Kampuchean people for two years His Communist Party of Kampuchea had amassed a powerful movement of disenfranchised peasants who were loyal to him and his regime The Residence of Phnom Penh the city s capital were not so lucky They were treated with suspicion And punishment for those deemed unredeemable was harsh

I Am a Pilgrim, a Traveler, a Stranger John Hubers, 2016-09-29 In this book part biography part critical analysis John Hubers introduces us to a man whose pioneering ministry in the Ottoman Empire has gone largely unnoticed since his memoir was penned in 1828 three years after his death in Beirut by a seminary colleague His name was

Pliny Fisk and he belonged to a cadre of New England seminary students whose evangelical Calvinism led them to believe that God was opening up a new chapter in the life of the Church that included an aggressive evangelism outside the borders of Christendom Fisk and his friend Levi Parsons joined that effort in 1819 when they became the first American missionaries sent to the Ottoman Empire by the American Board of Commissioners for Foreign Missions Hubers s intent is to show the complexity of Fisk s character while examining the impact his move to the Middle East made on his perceptions of the religious other As such this volume joins a growing body of literature aimed at providing critical historical and religious context to the often checkered history of relations between American Christians and Western Asian peoples I Am in Africa Therese Noah,2020-01-17 Have you been in such a dark season where you ve wondered if God cares about your current situation or even hears your prayers There is an enemy who desires to stop us from receiving all that God has for us The power of darkness is real Spiritual warfare is real It s when we understand that the battle is in the supernatural and not the natural that victory is ours This is a story about how an encounter with the Lord revealed what the enemy was trying to steal You ll see the God I fell in love with is a God who speaks and a God who reveals Himself to us if we seek Him He is a God who still delivers us from the power of darkness a God who saves us and a God who still blesses His children I pray that your eyes would be opened and you will be equipped with simple steps to use the proper armor of God to win the battle
