Take Heart David Powlison, 2022-09-19 Journey through a year with David Powlison learning to take heart by meditating on his favorite Scripture passages hymns and biblical themes exploring the ways God meets us with daily grace right where we live

The Biblical Counseling Movement after Adams (Foreword by David Powlison) Heath Lambert, 2011-11-02 People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison But as any student or teacher of the discipline can attest those differences have been ill defined and largely anecdotal until now Heath Lambert the first scholar to analyze the movement's development from within shows how biblical counseling emerged from and remains rooted in a commitment to the sufficiency of Scripture and the need to give practical help to struggling people He identifies contemporary leaders including Powlison Ed Welch Paul Tripp and Wayne Mack who emphasize the sinner as sufferer the heart as key to motivation and the need to interact humbly with critics Demonstrating how these refinements in framework methodology and engagement style are characteristic of a second generation of biblical counselors Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods With a substantial foreword from David Powlison and strong support from prominent biblical counselors this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced

In Jesus' Name John D. Laing, 2010-01-01 Can military chaplains pray in Jesus name Are they allowed to share their faith openly Are evangelical Christians persecuted in the military Does the general prohibition against proselytizing in the military violate soldiers Constitutional rights Are liberalism and or universalism implicitly endorsed by the military and political leadership as the preferred religion of the United States government In this timely and important book John Laing draws upon his knowledge as a professor of theology and philosophy and his experience as an Army chaplain in order to address these questions and more with a view to answering the larger theological question of whether evangelicals can successfully serve as military chaplains while remaining true to their conservative biblical beliefs and evangelistic commitments While the book is primarily written for those involved or interested in military chaplaincy it has a broader appeal as the issues discussed are relevant to all areas of chaplaincy healthcare institutional public service campus and marketplace
