Elaine and Jason Alexander as his volatile insecure best friend George. Unique in its outlook and execution, the success of the series lay in its early years, able to develop its own style below the radar as a minor network hit before reaching a mass public with its fourth season in 1992. Classic episodes discussed here include The Junior Mint, The Chinese Restaurant, The Puffy Shirt, and the ground-breaking The Contest. Much analyzed during its time on screen, the show has not been re-evaluated for many years. Now, over twenty years since the series finished, Stephen Lambe's timely and superbly crafted new book examines Seinfeld's first five seasons, episode by episode, tracing the development of every character, catchphrase, and quirk from the series' embryonic pilot episode in 1989 to its status as an Emmy award-winning show by the time that season five wrapped in 1994. While the series was a huge success in the USA, it was also a cult hit across the globe, and its legacy continues into the new millennium. Stephen Lambe is an author and publisher. He first became addicted to Seinfeld watching late night reruns on British television in the 1990s. An American Studies graduate, he has since seen every episode many times. His books include an analysis of the British Carry On series published by Sonicbond in 2019. He lives in Tewkesbury in Gloucestershire, UK.

Presenting a thorough summary and review for each of SCTV's 135 episodes, the author traces the initial appearance and evolution of some of comedy's best-known television characters and sketches. Two appendices provide guides to the program's compilation shows and recently released boxed sets on DVD.

Single Season Sitcoms, 1948-1979 Bob Leszczak, 2012-11-16

This book finally casts a spotlight on some short-lived and almost forgotten sitcoms, those which aired for only one single season. Many books have already been written about situation comedies that enjoyed long and storied runs on television, but this volume focuses upon the others. Overflowing with fresh facts, interviews, photographs, and stories, nearly 300 short-lived sitcoms over a 32-year span are presented A to Z, whether network or syndicated, prime time or Saturday morning.
