*Shattered Souls* Emily Huffman, 2022-03-04 Blaine always dreamed of being a hero and would do anything to see that dream come true Working to help free the Forgehearts from a life of slavery and servitude he thinks he is on the right path But when a monster from his nightmares begins hunting him and his companions Blaine's life is turned upside down and he questions if he will ever become the hero he aspires to be Pursued by people he thought he could trust and the Shard a dark creature summoned from another world Blaine and his friends go searching for answers Trying to uncover secrets of the Shard they uncover truths about themselves the world and the gods that puts their entire world in danger *Shattered Souls* Eugénie Dielens, 2025-02-14 *Shattered Souls* Stephanie Bates, 2011-09 Some say Haunted Others say cursed The less believing say coincidence Rumor has it that it is a place of Fairies Not the ones that are covered in glitter and grant wishes but the ones that steal babies and have a taste for blood Years ago a girl disappeared in those woods As far as I know she was never found Even before the girl disappeared there was always something different about them I've never dared to go past the first tree I wanted to Something always seemed to pull me to them daring me to enter Fear always won in the end But I'm not a little girl anymore and fear of trees is ridiculous Or so I tell myself For the last five years I promised I would defeat that fear This year I'm making the same empty promise Only this time I'm not alone and discovering find what there is to fear A few steps in is just enough to shatter Missy's world For so long now she has felt something has been missing No one ever told her that she had been born without her full soul Or that she is more than what lies beyond simple stories Any girl in her place would long for normalcy but in order to survive she might have to leave all she believes behind Good isn't always virtuous and evil can be your best friend The battle is one that has carried on for centuries Missy finds that she alone is the key and death may be the only way to save herself **The Shattered Souls** Candace N. Coonan, 2012-05-16 The tide has turned against the royals Princess Dawn along with her cousins Evan and Ian as well as her friends Mizu and Alan experienced a narrow victory over Magica this past summer And though it is now early autumn the battle is heating up The shattered body of demon Ralston Radburn is causing chaos all over Fadreama These little fragments of evil latch onto the darkness in the hearts of both humans and demons giving them the power to live out their most evil desires Dawn and her friends begin the immense task of seeking out these fragments and purifying them but find more than a few obstacles in their way Not only is Dawn looking for fragments but so is the dark Goddess of Hate sorceress Magica She has dispatched her Shadow Senshi to gather Fragments of Cardew so that she may use them to create the ultimate warrior Of course there is Ralston Radburn himself skulking about in the body of Alice's cousin Lance The foul scheme he is concocting may be enough to outweigh all of Magica's ambitions The battle over fragments suddenly takes on a new dimension when the most unexpected thing happens the fragments develop their own consciousness Words are whispered on the wind when a dark cloud hovers over Devona The words say revolution Events have been set into motion that cannot be halted Fadreama sits on

the eve of change At such a precarious time there is only one thing left to do try
