

LAW REPORTS

1. INTRODUCTION

Law reports are narratives of the facts, legal discussions and judgments of individual cases.

Because case law is a major source of law in England and Wales, significant cases decided by the courts are recorded in various series of law reports.

You might be surprised to learn that law reports are **NOT** published by the government via the Ministry of Justice (MoJ), or by its executive agency HM Courts and Tribunals Service (HMCTS). Instead, they are issued by commercial publishers who make them more user-friendly by adding features such as **catchwords**, **headnotes**, and **summaries** (see below, Section 2).

Not all cases are reported. Of the 200,000 or so cases heard in the courts of England and Wales each year, only around 2,500 are reported. This amounts to 1.25% of cases appearing as law reports. The cases published as law reports are those deemed to be of *significant legal interest*, i.e. they are cases which create a new precedent, modify or clarify an existing principle of law.

Each series of law reports has its own unique abbreviation. To find the meaning of these abbreviations, use the online **Cardiff index to legal abbreviations** at: <http://www.legalabbrevs.cardiff.ac.uk/>

Each case that is reported has its own unique reference or "case citation", e.g.

[2001] 1 AC 27 refers to the case *Fitzpatrick v Sterling Housing Association Ltd*, reported in *The Law Reports, Appeal Cases*, 2001, vol. 1, starting at page 27.

[2002] 3 All ER 209 refers to the case *Kuwait Airways Corp v Iraqi Airways Co*, reported in the *All England Law Reports*, 2002, vol.3, starting at page 209.

For more details on case citation, see below in Section 10.

Example Of A Law Report
