and family was the most important thing There s No Place Like Home is the story of a Kansas farm family It is the unique story of life in a different time and place before technology and automation changed how things are done on the farm It was a time when a farm life was a family project and everyone contributed A collection of anecdotes and oral histories this story includes the tales of a childhood on a Kansas farm in the mid 20th century and the joys and regrets for generations of such a life It is the story of a life on the Kansas prairie a celebration of the land and people of Kansas and a re telling of the histories of one family recounted around the kitchen table It tells of the struggles hopes and disappointments of life in a simpler time and place

**Surprised by the Parables** Michelle Lee Barnewall, 2020-01-22 Jesus parables can't simply be interpreted; they must be experienced. In the gospels, Jesus used parables to teach transformative lessons and convey deep spiritual truths about the kingdom of God. But he often used them to confront and challenge his audience as well, forcing them to open or close their hearts to the kingdom. Jesus understood the power of stories, but there are some things lost in translation when we try to interpret those same stories thousands of years removed from their original context. The unexpected twists and surprises in the parables might be missed by a modern audience because they're unfamiliar with the underlying points of reference. In *Surprised by the Parables*, Michelle Lee Barnewall explores the ancient context these parables drew from. These stories of grace reveal many of the mysteries central to God's character, and understanding the ancient world behind them will help us see the parables from a new perspective.
