Father To Daughter Graduation Speech:

The Father's Daughter V. M. Dexter, 2010-05-25 Emily thought her life was perfect with the exception that she always wondered who her father was and what her mother was really like She was adopted as a newborn by her mother's best friend when her real mother died from a blood disease shortly after she was born Her life seemed charmed and she had nearly everything she could want or need Her curiosity through the years of her youth was soothed by pictures of her biological mother but never her father Lisa her adoptive mother didn't know who her father was just that her mother Molly had gone to a sperm bank because she didn't want the complications of having a husband and all the headaches of a relationship with a man Molly wanted a baby to complete her perfect life as Hollywood's prettiest newscaster Her life was charmed and she was perfectly happy without the confinement of a relationship She had had many relationships without satisfying results and decided she didn't need a man in her life if only she just had a baby So she went to the sperm bank and chose the most intelligent and most handsome donor from the vast selection in the catalog She knew her baby would be perfect in every way Before Emily came into Lisa's life she had raised her son and had a pretty quiet but satisfying life Was she ready to take on another child if something happened to Molly She and Molly had been inseparable since they were children She would die for Molly but to raise a child on her own again was no small favor When Emily's father Jake came looking for the child or children his sperm had produced he wasn't sure what to expect As it turned out only one child had been produced and he knew he had to track her down As a widower with no children of his own he longed to know his biological daughter hoping she felt the same way and that she would want to know him Once he found her should he seek custody or just leave her be He wondered what she looked like and how old she was if she would accept him as part of her life or reject him for not being there before even though it wasn't his choice to not be there for her *52 Things Daughters Need from Their Dads* Jay Payleitner, 2013-03-01 Most dads love their daughters but they're uncertain how they can show that love in a way their daughters understand or figure out what their girls really need from them Jay Payleitner has given thousands of dads great man friendly advice in his bestselling *52 Things Kids Need from a Dad* Now Jay guides his readers into what is unexplored territory for many of them girl land giving them ways to do things with their daughters not just for them lecture less and listen more be on the lookout for hero moments and take advantage of them realize that their daughters are females and tailor their actions and responses accordingly give their daughters a positive view of the male sex Dads will feel respected and encouraged not made to feel guilty and they'll gain confidence to initiate activities that build lifelong positives into their girls Great gift or men's group resource **10 Conversations Kids Need to Have with Their Dad** Jay Payleitner, 2014-07-01 Dad you love your kids to pieces But whether it's father son or father daughter how to talk to them and about what can be one of the big mysteries in raising children Bestselling author and veteran dad Jay Payleitner comes to the rescue with a carload of great ideas about communicating those all important life values to your kids to help them thrive
