Scientific Fraud United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Oversight and Investigations, 1989 *Corruption and Fraud in Financial Markets* Carol Alexander, Douglas Cumming, 2022-12-13

Identifying malpractice and misconduct should be top priority for financial risk managers today Corruption and Fraud in Financial Markets identifies potential issues surrounding all types of fraud misconduct price volume manipulation and other forms of malpractice Chapters cover detection prevention and regulation of corruption and fraud within different financial markets Written by experts at the forefront of finance and risk management this book details the many practices that bring potentially devastating consequences including insider trading bribery false disclosure frontrunning options backdating and improper execution or broker agency relationships Informed but corrupt traders manipulate prices in dark pools run by investment banks using anonymous deals to move prices in their own favour extracting value from ordinary investors time and time again Strategies such as wash ladder and spoofing trades are rife even on regulated exchanges and in unregulated cryptocurrency exchanges one can even see these manipulative quotes happening real time in the limit order book More generally financial market misconduct and fraud affects about 15 percent of publicly listed companies each year and the resulting fines can devastate an organisation's budget and initiate a tailspin from which it may never recover This book gives you a deeper understanding of all these issues to help prevent you and your company from falling victim to unethical practices Learn about the different types of corruption and fraud and where they may be hiding in your organisation Identify improper relationships and conflicts of interest before they become a problem Understand the regulations surrounding market misconduct and how they affect your firm Prevent budget breaking fines and other potentially catastrophic consequences Since the LIBOR scandal many major banks have been fined billions of dollars for manipulation of prices exchange rates and interest rates Headline cases aside misconduct and fraud is uncomfortably prevalent in a large number of financial firms it can exist in a wide variety of forms with practices in multiple departments making self governance complex Corruption and Fraud in Financial Markets is a comprehensive guide to identifying and stopping potential problems before they reach the level of finable misconduct Principles of Fraud Examination Joseph T. Wells, 2014-04-21 Accountants have historically had an important role in the detection and deterrence of fraud As Joe Wells Principles of Fraud Examination 4th Edition illustrates fraud is much more than numbers books and records don't commit fraud people do Widely embraced by fraud examination instructors across the country Principles of Fraud Examination 4th Edition by Joseph Wells is written to provide a broad understanding of fraud to today's accounting students what it is and how it is committed prevented detected and resolved This 4th Edition of the text includes a chapter on frauds perpetrated against organizations by individuals outside their staff a growing threat for many entities as commerce increasingly crosses technological and geographical borders **Continued Investigation Into Fraud and Mismanagement in General Services Administration** United
