

The background of the cover is composed of four distinct histological images. The top-left image shows a dense, fibrous tissue with a yellowish-orange hue. The top-right image is a low-magnification view of a tissue section with a purple hue. The bottom-left image is a high-magnification view of glandular structures, likely from the prostate, stained with hematoxylin and eosin (H&E). The bottom-right image is a high-magnification view of a tissue section with a purple hue, possibly showing cellular details.
