*Breastfeeding Handbook* **Welcome to the Departure Lounge** Meg Federico,2009-02-10 The adventure begins when Meg s mother Addie vacationing in Florida takes a spill At the hospital Addie bolts upright on her gurney and yells I demand an autopsy before passing out cold One minute she is unconscious the next she s nuts observes Meg Federico in this hilarious and poignant memoir of taking care of eighty year old Addie and her relatively new and equally old husband Walter in their not so golden years Addie s accident is a portent of things to come over the next two years as Meg oversees her mother s home care in the Departure Lounge the nickname Meg gives Addie and Walter s house in suburban New Jersey It is a place of odd behaviors and clashing caregivers where chaos and confusion reign supreme Meg had expected that Addie and Walter would settle into a Rockwellian dotage of docile dependency Instead the pair regress into terrible teens Meg watches from the sidelines in disbelief as her mother and stepfather forbidden by doctors to drink conspire to order cases of scotch by phone as Addie s attendant accuses the evening staff of midnight voodoo as the increasingly demented Walter s sex drive becomes unbridled and mail order sex aids are delivered to the front door Meg jumps in to cope with the pandemonium even as she struggles to manage her own family back in Nova Scotia With a fresh voice and a keen eye for the absurd Meg Federico writes a story that will resonate with the generation now caring for their parents Welcome to the Departure Lounge is a moving and madcap chronicle of a family their moments of joy the memories they d rather forget and the just plain loopiness of their situation How s life at the Departure Lounge Meg s brother asks Meg doesn t know where to start Let s just say the drinks are outrageous and they never run out of nuts Heroes of Destiny Kevin Wong,2006 Bad Best Friend Rachel Vail,2020-03-24 Rachel Vail s powerful middle grade novel proves once again that no one does tween better than she

Carolyn Cogswell,2017-08-21 Dont Let the Devil Steal Your Song With 20 Essentials for Finding Your Sweet Spot deals with redeeming unfulfilled expectations This personal testimony addresses the process of walking away from the world and finding Christ coping with a parents Alzheimers and death inner healing after parental divorce and navigating complex family relationships *Black Bridge* William Long,2001-07-02 During the summer of 1954 Ludlow Falls is celebrating its Sesquicentennial The entire town has turned out for the birthday party But if it were up to Shorty Long Mary Gordon Lake Jagger and Lord Baltimore the party wouldn't go according to plan On the surface this small Midwestern town has enjoyed a rich and colorful one hundred and fifty years even though Moon Erhart always said The only thing they did when they put up this town was to ruin a perfectly good cornfield But something was lurking in the Falls past And an accidental discovery by a young boy is about to expose a century old secret A secret that will change lives and split the old town right down the middle *High Mileage Hearts* Beverly J. Dalton,2006-08-09 HIGH MILEAGE HEARTS takes us back

into the 20th century to days when if your dog lost the use of his hindquarters he wasn't euthanized. Instead he maneuvered about on a wheeled home built cart with a high flying flag to pinpoint his location. The nine authors explore small town and rural living in a quieter safer more serene time when fear meant the possibility of a snake dropping from the rafters rather than an act of terrorism when a pharmacy security system was an oversized rambunctious dog not electronic surveillance. The authors share their quest for adventure their quiet times the fun and folly of their lives. The poetry addresses everything from humor to spirituality. Fiction is drawn from the imaginations and life experiences of the authors. We can't nor perhaps would we want to go back but we can cherish the way it used to be.

*Raising a Thinking Preteen* Myrna B. Shure, Roberta Israeloff, 2016-05-10 In her bestselling *Raising a Thinking Child* Myrna B. Shure introduced her nationally acclaimed I Can Problem Solve program which helps four to seven year olds develop essential skills to resolve daily conflicts and think for themselves. With *Raising a Thinking Preteen* Shure has tailored this plan especially for eight to twelve year olds as they approach the unique challenges of adolescence. The preteen years are often the last opportunity for parents to teach their children how to think for themselves. This book is the only source with a proven plan to help them do just that.
