Dumbfounded Praying Harold M. Best, 2011-01-01 Dumbfounded Praying is a book of no limits uninhibited praying dumfounded praying It is a confessing book an idea book a wrestling and praise filled book and like the Psalms intensely personal but certainly not private These prayers are for everybody who is thirsty and hungry who doubts who might be unsure of the value of prayer they are for anybody who wants to question confess praise lament imagine and speculate This book is open to all who love the richness of speech with God and want his everlasting richness to flood their minds hearts and circumstances in return Prayer is more than a narrow tidied list of proper things to talk to God about Nothing is off limits with God for he intimately knows what fills our minds stirs in our hearts and frames our circumstances God invites us to talk everything over with him honestly fearlessly even imaginatively Out of sheer love God has eternally befriended himself to us and asks us into his confidence and in turn invites us to confide freely in him God wants us to know that while we would rather talk than listen he always listens before he talks and when he does it is always with his Word strongly yet sweetly offered to us by his Spirit and made eternally sure by his Son This Word is inevitably filled with mercy love grace forgiveness correction and unblemished wisdom [Finding Truth in the Tempest: A Devotional Journal for Women](#) Faythelma
