Heiress Janet Dailey, 2014-04-01 New York Times Bestseller Two Texan half sisters battle over their father's fortune, risking their relationships with the men who love them. Standing over her father's coffin Abbie Lawson wonders if he ever actually loved her. Yes he'd given her wealth, a place in the top echelon of Houston society and horses, a farm full of Arabians but not his attention. On those important family occasions he was always away on business in California. And then Abbie sees why. On the fringe of the crowd of mourners at the funeral is a woman whose face nearly mirrors her own: a second daughter. And as if that betrayal isn't enough she discovers that her father has left his money to the interloper. Abbie has the Arabians but not the money to support them. As she witnesses her rival's rise in the Texas social scene a tall, rough hewn oil man

named MacCrea Wilder enters her life She doesn't need the distraction but there's something about his sinewy arms that keeps her mind circling back to his kiss Yet as the years pass even love may be sacrificed to the bitterness between these two women With over 300 million books sold Janet Dailey is one of the great names in fiction In *Heiress* she tells the story of half sisters trapped in a bitter rivalry providing the solid entertainment that made her famous Publishers Weekly
