Hatfield, James A. Santucci**

From Jesus To Christianity How Four Generations Of Visionaries:

From Jesus to Christianity L. Michael White, 2005-10-25 The Story of the New Testament and Christian Origins

Shapers of Early Christianity Roland H. Worth, Jr., 2010-06-28 In 100 A D Christianity was practiced only by a small oppressed minority Three hundred years later Christianity had become one of the world s major religions But this change did not happen easily The imperial government of Rome intellectual tradition and battles within the church itself influenced the transformation Every viewpoint had its champions and opponents and whether they were defenders of the faith or those whom history later labeled heretics they were part of the early evolution of Christianity This volume discusses more than 50 figures who played a role in the transformation from primitive Christianity to early Medieval Catholicism As it examines the lives and influence of imperial rulers such as Constantine proponents of the intellectual tradition including Gregory of Neocaesaria and Julius Africanus and early Bible translators such as Tatian Origen and Jerome the work provides a fascinating look at Christian history

Growing a Soul for Social Change Tonya Huber-Warring, 2008-04-01 For readers new to the field of multicultural education and human relations education the recency of these publications heralded as seminal may be confusing for certainly the concepts building the field of multicultural education and human relations education have been around much longer True But for the first time we found the conceptual framework guiding principles and critical works across disciplines and fields in Smith s encyclopedic organization Because of the comprehensive nature of Pritchey Smith s knowledge bases they have been employed as the organizing themes for this volume I would clarify that I have not burdened authors to study Smith s analysis and then apply it to their works the categorization is my own And as is true of any topic the interpretation and application may be broadly applicable One of my major goals in founding this series has been to further develop the knowledge bases with voices from those in the trenches literally and figuratively and at the chalkface while proverbial for some parts of the world chalk remains a teaching staple in many regions of the world Throughout this volume authors will explore and research their own discoveries on this journey narratives of crossing cultures and developing communities reconceptualizing democracy and reinterpreting traditions seeking solidarity and sowing the seeds of social justice Through critical reflection in the shade of these giants the reader may discover Ming Fang s bamboo tree

[An Introduction to the New Testament](#) Charles B Puskas, C Michael Robbins, 2012-08-30 This second edition of *An Introduction to the New Testament* provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts Many new and diverse cultural historical social scientific sociorhetorical narrative textual and contextual studies have been examined since the publication of the first edition which was in print for twenty years The authors retain the original tripartite arrangement on 1 The world of the New Testament 2 Interpreting the New Testament and 3 Jesus and early Christianity An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today

[In Defense of the Bible](#) Steven B. Cowan, Terry L.

Wilder,2018-11-26 In Defense of the Bible gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture **The Social Worlds of Ancient Jews and Christians** ,2022-11-21 This volume contains fifteen essays in honor of L Michael White whose work has been influential in exploring the social histories of ancient Jews and Christians within the Graeco Roman world Following an introduction that highlights some of White s main scholarly contributions the essays are grouped into three topic areas Paul and his Legacy Social Relations and Material Culture The essays are united by an interest in reconstructing the social worlds of ancient Jews and Christians through careful analysis of literary sources and material culture in their most precise ancient contexts And Jacob Dugged a Well Theodore M. Snider,2012-05-03 The subject of Christology has been a struggle for the church from the very beginning It has resulted in divisions crusades inquisitions persecutions and a wide range of creeds Each group claims it possesses the trutha truth revealed to them a particular turn on belief they alone rightly proclaim In And Jacob Dugged a Well author Pastor Theodore M Snider provides a commentary on religionwhere its been where its headed and how it fits in the modern world He seeks to answer this question why do we believe what we believe Snider discusses how scientific and technological discoveries have changed not only our worldviews but also our Godviews and how consciousness and brain research are altering the way we understand each other and how beliefs are formed He compiles a diverse amount of information on topics relevant to both secular and religious audiences including creationism evolution intelligent design and artificial intelligence through historical scientific cognitive and psychological avenues And Jacob Dugged a Well reminds us that natural may not be as clear as we once thought Faith in the twenty first century needs to look quite different from the past century *An Educator's Classroom Guide to America's Religious Beliefs and Practices* Benjamin J. Hubbard,John T. Hatfield,James A. Santucci,2007-04-30 Today with all of the controversies surrounding religion in the schools and in the public sphere it would seem more important than ever that teachers and librarians have a quick source of up to date correct unbiased information to give to patrons and students The authors of this book all are or have been professors of religion at various well known universities offer just that The book is arranged to cover most all of the known and little known religions in America Today with all of the controversies surrounding religion in the schools and in the public sphere it would seem more important than ever that teachers and librarians have a quick source of up to date correct unbiased information to give to patrons and students The authors of this book all are or have been professors of religion at various well known universities offer just that The book is arranged to cover most of the known and little known religions in America Each section includes Origins Beliefs Sacred Book Scriptures Practices Main Subgroups Common Misunderstandings and Stereotypes Classroom Concerns Population Data and Further Readings Though there are many guides to religions this book has the unique advantage of looking at each religion as it may affect the classroom and other student groups and activities *Reading Luke*

Zondervan,2022-03-01 A rich and comprehensive volume essential reading for all those interested in how to read Luke as relevant for today In this sixth volume the Scripture and Hermeneutics Seminar brings its past six years of work on biblical hermeneutics to bear on the gospel according to Luke In his introduction Anthony Thiselton world authority on biblical hermeneutics sets the context for a wideranging exploration of how to read Luke for God s address today Traditional and more contemporary approaches are brought into dialogue with each other as several top Lukan scholars reflect on how best to read Luke as Scripture Topics covered include the purpose of Luke Acts biblical theology and Luke narrative and Luke reception history and Luke the parables in Luke a missional reading of Luke and theological interpretation of Luke Since prayer is a major theme in Luke this volume explores not only the role of prayer in Luke but also the relationship between prayer and exegesis Hellenistic and Biblical Greek B. H. McLean,2014-07-14 This Hellenistic Greek reader is designed for students who have completed one or more years of Greek and wish to improve their reading ability and gain a better appreciation for the diversity of the language The seventy passages in this reader reflect different styles genres provenances and purposes and are arranged into eight parts according to their level of difficulty Grammatical support and vocabulary lists accompany each passage and a cumulative glossary offers further assistance with translation Students are led to a deeper understanding of Hellenistic Greek and a greater facility with the language Includes canonical and non canonical Christian texts Septuagint prose and poetry Jewish Pseudepigrapha inscriptions and Jewish and Hellenistic literary Greek Includes a web component with more than thirty additional readings for classroom and independent use Passages offer a glimpse into the everyday life of Hellenistic Greeks with themes such as sexuality slavery magic apocalypticism and Hellenistic philosophy

From Jesus to the Internet Peter Horsfield,2015-06-15 From Jesus to the Internet examines Christianity as a mediated phenomenon paying particular attention to how various forms of media have influenced and developed the Christian tradition over the centuries It is the first systematic survey of this topic and the author provides those studying or interested in the intersection of religion and media with a lively and engaging chronological narrative With insights into some of Christianity s most hotly debated contemporary issues this book provides a much needed historical basis for this interdisciplinary field

Inside Evangelicalism Mark Ward Sr.,2024-12-15 In Inside Evangelicalism Mark Ward Sr combines ethnographic autoethnographic and sociolinguistic research to identify and analyze white evangelicals distinctive culture and speech code from a perspective rooted deeply in both communication studies and the evangelical community The Bible emerges as evangelicalism s one dominant symbol that unifies all meaning and divides the world into a cosmic dualism between secular humanism and an all encompassing biblical worldview The associated language of literalism drives evangelical culture cognition and identity creating a system of ordered social relations enacted through patriarchy anti intellectualism authoritarianism and white Christian nationalism Ward s positionality as both an ethnographer of religious communication who has observed white evangelical culture for two decades and a self identified evangelical for four decades makes him

uniquely qualified to cast an insider's critical yet balanced eye on conservative white Christian culture Inside Evangelicalism complements existing scholarship within anthropology and sociology where evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication **Scripting**

Jesus L. Michael White, 2023-11-21 The acclaimed author of From Jesus to Christianity reveals how and why the gospels were written in this groundbreaking work of Biblical scholarship The greatest story ever told was honed like any good performance on the road in front of audiences In Scripting Jesus acclaimed scholar of early Christianity L Michael White demonstrates that the gospel stories of Jesus were never meant to be straightforward historical accounts but instead they were each crafted with particular theological agendas for the ears of particular listeners White challenges us to read the gospels as they were intended as performed stories of faith not factual accounts and illuminates the agendas that motivated each of their authors A fresh account of the gospels that have shaped centuries of Christian belief Scripting Jesus offers important insight into how we can understand Jesus's story today **Lent, Yom Kippur, and Other Atonement Days** Amy

Hackney Blackwell, 2009 Despite their best intentions people are imperfect and will inevitably make mistakes They yearn for a chance to start over to right wrongs and to create a better future by improving upon the past Several religious holidays around the world are devoted to this task These observances allow individuals to reflect on their errors and make amends with those they have wronged Lent Yom Kippur and Other Atonement Days focuses on the observation of Lent in the Christian tradition the Jewish observance of Yom Kippur and Vassa the Buddhist practice also known as the Rains Retreat or Buddhist Lent The Christian Jewish and Buddhist days of atonement vary greatly in beliefs and customs across different regions but each has the ultimate goal of the practitioners bettering themselves through prayer humility and repentance

Becoming Christian Nancy L. Kuehl, 2014-10-06 The evolution of Christianity as it is known today began in Antioch but as Becoming Christian reveals it had once been quite different While most histories gloss over the earliest period of Christianity to begin with the Christian establishment this book uncovers the little known history within the gap between 31 and 70 CE when the Jesus Movement was headquartered in Jerusalem under the authority of James bar Joseph the brother of Jesus and the apostles served as missionaries carrying the teachings of Jesus throughout Judea Galilee and Samaria By the year 66 CE James and most of the apostles had died along with much of their teaching Paul's spiritual Jesus had gained a foothold among Gentiles in Antioch and throughout the West including Rome where it finally blossomed into a powerful political hierarchy No longer was Jesus humanity important to the church With the death of James the original movement fell into disarray and split into factions each developing its own doctrines Thus there arose numerous Christianities during the first two centuries many of which had become heretical The Jesus Movement had now become irrelevant to the church and as

Becoming Christian reveals by the third century it would be publicly eradicated for all time

Issues in Contemporary Christian Thought Duane Olson, Olson's clear and concise overview roots contemporary questions firmly in Christian responses to the Enlightenment. He discusses the range of contemporary opinions, their rationales, and what's at stake. Olson illustrates these alternate frameworks as they play out in central concerns over the being of God in relation to the universe, how to understand the figure of Christ today, and the distinctively new notions of being human. Specifically geared to the novice theologian in college or seminary settings, Olson's text includes Reflection, Research Questions, Suggestions for Further Reading, and a Glossary.

The Missing Gospels Darrell L. Bock, 2007-10-07 IS JESUS WHO YOU THINK HE IS? Perhaps you've heard the recent buzz about alternative Christianities and new gospels. Speculations have shown up in magazines, documentaries, popular fiction, and even on the big screen. Much of the controversy stems from a library of ancient texts found at Nag Hammadi, Egypt. Now revolutionary questions about the Christian faith are being raised as a result of these findings: Is Jesus truly a divine Savior or just a teacher of wisdom? Is orthodoxy a by-product of third-century or fourth-century theologians? Did Judas betray Jesus because of evil intent or a request by Jesus? Does salvation include the physical body or just the soul? Darrell L. Bock takes you on a tour of the new claims, as well as the controversial writings examining their origins and comparing them with traditional sources. With discussion questions for group or individual study at the end of each chapter, *The Missing Gospels* will help you understand the messages of all of these writings so you can form your own opinion. This provocative work could even change what you believe.

Hebrews, the General Letters, and Revelation Charles B. Puskas, 2016-10-28 Most New Testament (NT) introductions, because of page limitations and other reasons, tend to minimize their treatment of the last nine books of the Christian Bible: from Hebrews to Revelation. The focus in these introductions is often on the four Gospels and the Letters of Paul. As important as these books are, one should not neglect with only a brief survey the treatment of Hebrews, the General Letters, and the book of Revelation. The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church, despite its slow canonical recognition and authorship issues. Nevertheless, these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination. My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation: When and why was each book written? By whom and to whom was each book written? What are some special features of each book? How soon or late was each book included in the NT collection? Answers to many of these questions are tentative. The assured results of scholarship are in continual need of reevaluation. Since the 1980s, a host of diverse studies have emerged, and I have endeavored to include them when they are relevant to the discussion.

Western Civilization: A Global and Comparative Approach Kenneth L. Campbell, 2014-12-18 Featuring the one author, one voice approach, this text is ideal for instructors who do not wish to neglect the importance of non-Western perspectives on the study of the past. The book is a brief, affordable presentation.

providing a coherent examination of the past from ancient times to the present Religion everyday life and transforming moments are the three themes employed to help make the past interesting intelligible and relevant to contemporary society

Mormon Studies Ronald Helfrich, Jr., 2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s
