With the addition of new chapters on *Dark Shadows*, the author further explores the groundbreaking daytime television serial. Anna Williams Bonner has taken care of business. That is to say, she's taken care of her husband, bestselling novelist Jacob Finch Bonner, and laid to rest those anonymous accusations of plagiarism that so tormented him. Now she is living the contented life of a literary widow, enjoying her husband's royalty checks in perpetuity, but for the second time in her life, a work of fiction intercedes, and this time it's her own debut novel, *The Afterword*. After all, how hard can it really be to write a universally lauded bestseller? But when Anna publishes her book and indulges in her own literary acclaim, she begins to receive excerpts of a novel she never expected to see again: a novel that should no longer exist. That it does means something has gone very wrong, and someone out there knows far too much about her late brother, her late husband, and just possibly Anna herself. What does this person want, and what are they prepared to do? She has come too far and worked too hard to lose what she values most: the sole and uncontested right to her own story. And she is, by any standard, a master storyteller. With her signature wit and sardonic humor, Jean Hanff Korelitz gives readers an antihero to root for while illuminating and satirizing the world of publishing in this deliciously fun and suspenseful read.
