Dancing Tango Kathy Davis,2015-01-02 Argentinean tango is a global phenomenon Since its origin among immigrants from the slums of Buenos Aires and Montevideo it has crossed and re crossed many borders Yet never before has tango been danced by so many people and in so many different places as today Argentinean tango is more than a specific music and style of dancing It is also a cultural imaginary which embodies intense passion hyper heterosexuality and dangerous exoticism In the wake of its latest revival tango has become both a cultural symbol of Argentinean national identity and a transnational cultural space in which a modest yet growing number of dancers from different parts of the globe meet on the dance floor Through interviews and ethnographical research in Amsterdam and Buenos Aires Kathy Davis shows why a dance from another era and another place appeals to men and women from different parts of the world and what happens to them as they become caught up in the tango salon culture She shows how they negotiate the ambivalences contradictions and hierarchies of gender sexuality and global relations of power between North and South in which Argentinean tango is and has always been embroiled Davis also explores her uneasiness about her own passion for a dance which when seen through the lens of contemporary critical feminist and postcolonial theories seems at best odd and at worst disreputable and even a bit shameful She uses the disjuncture between the incorrect pleasures and complicated politics of dancing tango as a resource for exploring the workings of passion as experience as performance and as cultural discourse She concludes that dancing tango should be viewed less as a love hate embrace with colonial overtones than a passionate encounter across many different borders between dancers who share a desire for difference and a taste of the elsewhere *Dancing Tango* is a vivid intriguing account of an important global cultural phenomenon **Pink Tourism** Howard L. Hughes,2006-01-01 This book presents a detailed picture of gay and lesbian tourism from primarily a marketing perspective and examines how marketing activity engages with and affects social issues relating to homosexuality It gives an overview of the nature of homosexuality and relevant issues that bear upon tourism and marketing Topics covered include holiday profiles of both gay men and lesbians supply of related holiday products popular and non popular destinations tour operators and accommodation provision tourism and sex and sexually transmitted infections barriers and inhibitors to choice including host reactions appropriate marketing strategies The book locates gay and lesbian tourism and holiday marketing within a context of current

issues such as citizenship identity and consumerism political activity and distraction and contested space and de gaying

Ethnic and Minority Cultures as Tourist Attractions Anya Diekmann, Melanie K. Smith, 2015 This book focuses on ethnic and minority communities in urban contexts and the ways in which their cultures are represented in tourism development It offers a multi disciplinary approach which draws on examples and case studies of ethnic and minority communities and cultural tourism development from all around the world including slums in India favelas in Brazil Chinatowns in Australia Jewish quarters in Central and Eastern Europe ethnic villages in China the African district of Brussels the gay quarter in Cape Town and a desert town in Israel It offers a positive perspective on ethnic and minority cultures and communities at a time when social and political support is lacking in many countries This book will be a useful resource for those studying and researching cultural and urban tourism urban planning and development community studies and urban and cultural geography

Gay Travel Guide Buenos Aires Introduction

In today's digital age, the availability of Gay Travel Guide Buenos Aires books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gay Travel Guide Buenos Aires books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gay Travel Guide Buenos Aires books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gay Travel Guide Buenos Aires versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gay Travel Guide Buenos Aires books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gay Travel Guide Buenos Aires books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gay Travel Guide Buenos Aires books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gay Travel Guide Buenos Aires books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gay Travel Guide Buenos Aires books and manuals for download and embark on your journey of knowledge?
