Rolland Hein

Foreword by
Frederick Buechner

George Macdonald Victorian Mythmaker

Michael Phillips

George Macdonald Victorian Mythmaker:

George MacDonald Rolland Hein, 2014-11-10 C S Lewis once remarked that his debt to George MacDonald's writings was almost as great as one man can owe to another. I know hardly any other writer who seems to be closer or more continually close to the Spirit of Christ Himself. Born in Scotland in 1824, MacDonald was educated at King's College in Aberdeen and Highbury Seminary in London. As a Christian minister, he indulged early his fondness and skill in the writing of poetry, then fantasy and fiction as well as sermons. Quickly becoming known for his literary skills, he became a popular writer and lecturer, counting among his friends and fans Lady Byron, Alfred Lord Tennyson, Mark Twain, John Ruskin, Matthew Arnold, and Lewis Carroll, who only published *Alice's Adventures in Wonderland* at the urging of the MacDonald family. At the time of his death in 1905, he left behind a large volume of work that has had a profound influence on many writers, including G. K. Chesterton, C. S. Lewis, J. R. R. Tolkien, Madeleine L. Engle, and Frederick Buechner. This seminal biography is based upon a careful researching of thousands of letters written to and by MacDonald, as well as personal papers and documents collected in museums and libraries in America and Europe. A noted MacDonald scholar, Rolland Hein spent over a decade reading and researching these documents with a view to exploring those aspects of the life and experiences of this great author and saint that have so profoundly influenced many of the seminal authors of the twentieth century.

George MacDonald Rolland Hein, 1993. The complete and definitive biography of the man whose writings transformed the life of C. S. Lewis.

Doors In Rolland Hein, 2018-12-18. George MacDonald wrote fairy tales for both children and adults to demonstrate the essential role of the imagination in apprehending spiritual truths. He explained undefined yet vivid visions of something beyond something which eye has not seen nor ear heard, have far more influence than any logical sequences whereby the same things may be demonstrated to the intellect. Rolland Hein undertakes to show how MacDonald's tales contain such visions, helping readers to experience for themselves glimpses of something beyond and catch exciting insights into eternal truths.

The Harmony Within Rolland Hein, 2013-12-01. George MacDonald is a witness to the power of imagination. By using the art of enchantment, he is able to draw readers into another world seemingly more real than this one. What was the power behind his imagination, and what drove MacDonald's art? It was his vision of the spiritual life that provided the context for his fantastic fairy tales and other writings. *The Harmony Within: The Spiritual Vision of George MacDonald* takes a close look at the religious roots of MacDonald's writing. So many people today are looking for a spiritual connection between God and man, between myth and destiny. George MacDonald's work provides a doorway to other worlds; the ideas behind his writing may help reshape the mythic elements of our lives.

Victorian Fantasy Stephen Prickett, 2005. Far from being just children's literature, Victorian Fantasy is an art form that flourished in opposition to the repressive social and intellectual conditions of Victorianism. In this fully revised and expanded edition, Stephen Prickett explores the way in which Victorian writers used non-realistic techniques—nonsense, dreams, visions, and the creation of other worlds—to extend our understanding of this world. In

particular Prickett focuses on six writers Lear Carroll Kingsley MacDonald Kipling and Nesbit tracing the development of their art form their influences on each other and how these writers used fantasy to question the ideology of Victorian culture and society

George MacDonald in the Age of Miracles Timothy Larsen, 2018-11-20 In this Hansen Series volume Timothy Larsen considers the legacy of George MacDonald the Victorian Scottish author and minister who is best known for his pioneering fantasy literature Larsen explores how MacDonald sought to counteract skepticism unbelief naturalism and materialism and to herald instead the reality of the miraculous the supernatural the wondrous and the realm of the spirit

George MacDonald: A Writer's Life Michael Phillips, 2019-05-07 The leading MacDonald scholar and biographer presents the most comprehensive work to date on the 19th century author's life and work Best known for his fiction and fairy tales such as the immortal classics *Robert Falconer* and *At the Back of the North Wind* the Victorian author and theologian George MacDonald inspired some of the greatest writers of the 19th and 20th centuries Most notably C S Lewis credits MacDonald's books with inspiring his works of fantasy fiction as well as putting him on the path to Christianity In this major biographical work MacDonald scholar Michael Phillips examines how the events of the author's life contributed to his work and legacy Referring to this volume as a bibliographic biography Phillips brings his expertise to bear on the complete corpus of MacDonald's fiction pointing out each book's essential themes and offering insights into how each title can be most perceptively be read

Theology of George MacDonald John R. de Jong, 2021-01-01 George MacDonald 1824 1905 was writing at a time of Evangelical unease In a society ravaged by Asiatic cholera numbed by levels of infant mortality and fearful of revolution and the toxicity of industry to name but a few of the many challenges the gospel proclaiming eternal damnation for unbelievers was hardly good news rather Christianity was increasingly viewed as the source of bad news and a tool of state oppression MacDonald agreed in his view the church had become a vampire sucking the blood of her children instead of offering them Eucharistic life In contrast like Christ MacDonald offers us a child Although at first sight a familiar Romantic incarnation in MacDonald's theology the child becomes an unlikely icon challenging the vampire's kingdom and confronting the foundations of much of Western theology John R de Jong's meticulously researched study of MacDonald's work especially his realist and fantasy novels in its Victorian context is of more than historical interest In light of the growth of fundamentalist expressions of Christianity we are encouraged to consider embracing MacDonald's radical solution to religious vampirism becoming children

3,000 Quotations from the Writings of George MacDonald George MacDonald, 2020-01-24 In this comprehensive collection of his thought readers of George MacDonald will discover what one of his editors Rolland Hein calls the strength and captivating moral beauty of his convictions Drawn from his sermons novels poetry and letters 3 000 Quotations from the Writings of George MacDonald distills MacDonald's exuberant celebration of the close connection between the human and the divine Harry Verploegh a lifelong collector of more than one hundred thousand useful and inspiring sayings from a variety of thinkers compiled these three thousand quotes under topics today's

preachers speakers and writers will find both relevant and timely **Robert Falconer** George MacDonald, 2020-10-01 The story of a boy's spiritual transformation in the shadow of the Scottish Highlands from the 19th century author of David Elginbrod In George MacDonald's most well known novel published in 1868 the quest of young Robert Falconer for his father becomes a parallel quest to break free from the oppressive Calvinist theology of his grandmother As he struggles to come to terms with the strict orthodoxy prevalent in Scotland for two centuries the doctrine of hell looms as the great stumbling block in Robert's mind His lifelong search reveals to Robert the groundbreaking truth that hell is remedial not punitive designed to produce ultimate repentance not everlasting punishment This highly autobiographical work offers a rare glimpse into MacDonald's own youthful quandaries and a window into the development of his faith which would turn generations toward the Fatherhood of a loving God After the book's publication as a result of the bold themes running through the narrative MacDonald came to be considered a universalist and heretic in some circles grievous mischaracterizations that persist to this day This new edition by MacDonald biographer Michael Phillips streamlines the occasionally ponderous Victorian narrative style and updates the thick Doric brogue into readable English

This is likewise one of the factors by obtaining the soft documents of this **George Macdonald Victorian Mythmaker** by online. You might not require more grow old to spend to go to the book initiation as without difficulty as search for them. In some cases, you likewise get not discover the publication George Macdonald Victorian Mythmaker that you are looking for. It will entirely squander the time.

However below, gone you visit this web page, it will be as a result unconditionally easy to acquire as skillfully as download lead George Macdonald Victorian Mythmaker

It will not take many grow old as we accustom before. You can realize it though put on an act something else at home and even in your workplace. suitably easy! So, are you question? Just exercise just what we give under as well as review **George Macdonald Victorian Mythmaker** what you next to read!
