Building a Youth Ministry that Builds Disciples Duffy Robbins,2012-01-24 While most

youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group the reality is that the most important thing they are doing won't actually be evident until much later That's because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they'll be equipped to build a youth ministry that instills that lasting faith in its students      **This Way to Youth Ministry** Duffy Robbins, 2004 Practical applications theological foundations and valuable information for the student beginning a youth ministry      Careless and Loving It (Hit-And-Run Discipleship) Rodney A. Kvamme, 2002 Wait for the ideal is the hiss of the serpent not the voice of God Many a clear and present chance to bring love and joy to others has been missed by waiting for a more ideal opportunity The author maintains that what is needed is more carelessness The Table of Contents displays many playing fields where hit and run discipleship is an admirable option A baseball player will not be an effective member of the team without leaving the security of the plate There are similar risks for a disciple of Jesus The author uses lessons from his own life and asks readers to translate them into their own experience Hopefully they too will be encouraged to become more careless and love it      Directory of Faith Communities of York County, 2002      *American Grace* Robert D. Putnam, David E. Campbell, 2012-02-21 Based on two new studies American Grace examines the impact of religion on American life and explores how that impact has changed in the last half century
