Supporting Reading in Grades 6-12 Sybil M. Farwell, Nancy L. Teger, 2012-06-11 This book presents a curricular framework for students grades 6 12 that school librarians and teachers can use collaboratively to enhance reading skill development promote literature appreciation and motivate young people to incorporate reading into their lives beyond the required schoolwork Supporting Reading Grades 6 12 A Guide addresses head on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students motivation and test scores The book provides a comprehensive framework for achieving this the READS curriculum which stands for Read as a personal activity Explore characteristics history and awards of creative works Analyze structure and aesthetic features of creative works Develop a literary based product and Score reading progress Each of these five components is explained thoroughly describing how school librarians can encourage students to read as individuals in groups and as school communities support classroom teachers instruction and connect students to today s constantly evolving technologies Used in combination with an inquiry information skills model the READS curriculum enables school librarians to deliver a dynamic balanced library program that addresses AASL s Standards for the 21st Century Learner

Parallel Curriculum Units for Language Arts, Grades 6-12 Jeanne H. Purcell, Jann H. Leppien, 2009-08-25 The Parallel Curriculum Model PCM holds the power to help students and teachers see the whole of what they are learning We invite practitioners to read more about this model and join us on a professional journey that we believe will yield that joy and wisdom that comes from seeing the whole To address the varying needs of teachers across the K 12 grade span as well as different content areas we decided to create a series of curriculum units based on PCM that could be used by practitioners It is our hope that the lessons not only underscore important and discipline specific content but also illuminate the four parallels in unique and enduring ways From the Introduction Design exemplary language arts lessons based on the Parallel Curriculum Model Want to create rigorous learning opportunities for students in language arts based on a deeper understanding of pedagogy and curriculum design As demonstrated in the best selling book The Parallel Curriculum the Parallel Curriculum Model PCM allows teachers to determine student performance levels and design intellectual challenges that help students develop expertise in specific subject areas Parallel Curriculum Units for Language Arts Grades 6 12 provides sample language arts units written by practicing teachers to demonstrate what high quality curriculum looks like within a PCM framework Covering a variety of topics including narrative voice literary criticism and writing original pieces these field tested units each contain Teacher rationales explaining the unit design Connections to concepts skills and national or state standards Step by step directions

for delivering the lessons and unit Modification strategies assessments and reproducibles Use these examples to design your own units and deepen your understanding of how the PCM framework helps tailor curriculum to the abilities interests and learning preferences of each learner
