BA Jonathan Weber BA Mark Weinfeld MA *Developing Materials for Innovative Teaching and Sustainable Learning* Andrzej Cirocki, Raichle Farrelly, Taylor Sapp, 2024-10-30 This volume features current innovative and effective ways of developing instructional materials for diverse English Language Teaching (ELT) contexts. It is divided into four sections each featuring pedagogical materials designed for specific groups of learners. The sections focus on materials for general English, ESP and EAP, CLIL and ELT teacher education courses. The chapters, written by experienced educators from around the world, are highly practical and detail the process of designing materials for innovative and sustainable language education. The contributors reflect on their own practice, describe the materials design process, explain the guiding principles and connect the design process with the local context and educational policies. They also offer practical tips to inspire classroom practitioners to create their own materials promoting innovative teaching and sustainable learning. Ultimately, their chapters aim to encourage a world where teaching involves creativity and adaptability, leading to transformative learning for both teachers and learners.

Learning That Lasts Ron Berger, Libby Woodfin, Anne Vilen, 2016-02-17

A practical guide to deeper instruction: a framework for challenging, engaging and empowering students of all ages. For schools to meet ambitious new standards and prepare all students for college, careers and life, research has shown unequivocally that nothing is more important than the quality of daily instruction. *Learning That Lasts* presents a new vision for classroom instruction that sharpens and deepens the quality of lessons in all subject areas. It is the opposite of a teacher-proof solution. Instead, it is predicated on a model of instruction that honors teachers as creative and expert planners of learning experiences for their students and who wish to continuously grow in their instructional and content knowledge. It is not a theoretical vision. It is a model of instruction refined in some of the nation's most successful public schools—schools that are beating the odds to create remarkable achievement, sited primarily in urban and rural low-income communities. Using case studies and examples of powerful learning at all grade levels and in all disciplines, *Learning That Lasts* is a guide to creating classrooms that promote deeper understanding, higher-order thinking and student independence. Through text and companion videos, readers will enter inspiring classrooms where students go beyond basics to become innovators, collaborators and creators. *Learning That Lasts* embraces a three-dimensional view of student achievement that includes

mastery of knowledge and skills character and high quality work It is a guide for teachers who wish to make learning more meaningful memorable and connected to life and inspire students to do more than they think possible *Argumentative Essays: A Step-by-Step Guide* Broadview Press,2022-04-28 This brief spiral bound booklet provides a portable scannable and simple guide to the basics of argumentative essay writing Designed to complement in depth classroom instruction it serves as a portable resource that students can use on their own or in class for quick step by step guidance on how to plan research write and edit argumentative essays Advice on avoiding plagiarism and documenting sources is included along with up to date MLA and APA citation guidelines and a sample essay Laminated for convenience and durability the booklet is intended as a lasting reference tool that students can use throughout their academic studies Additional resources including an essay outline tool and grammar exercises are provided on a free companion website
