A History of Modern Art H.H. Arnason, 1982 History of Modern Art: Painting, Sculpture, Architecture H. H. Arnason, 1968. Traces the origins, growth, and development of 20th century art; discusses its various forms and expressions and explains how to understand and enjoy modern paintings, sculpture, and architecture. **A History of Modern Art** H. H. Arnason, 1966. **History of Modern Art** H. Harvard Arnason, Daniel Wheeler, 1986. Comprehensive and insightful History of Modern Art. Painting, Sculpture, Architecture, Photography is the definitive source of information on the art of the modern era. This Fourth Edition is a freshly retold story of the art and artists of the last 150 years from modernism's mid nineteenth century European beginnings to today's divergent art trends. In the decade that has passed since the publication of the previous edition, art historians have come to recognize that works of art, whether sublimely beautiful or provocatively repelling, are artistic responses made by individuals to life in the real world. In her thoughtful reworking of H. H. Arnason's classic text, Marla Prather poses critical questions: Why did Cubist painters and sculptors refract their subject matter in the way they did? Why did Abstract Expressionism take hold in America? Why did Postmodern architects reject the clean lines of the International Style? What does it mean that artworks of the late 1990s defy categorization and provides insightful and thought provoking answers? Almost 500 of the nearly 1,500 illustrations are new to this edition, a reflection of Prather's thorough rethinking and updating of the content. The final section of the book presents thirty-seven artists representative of

today's decentralized art scene who are working in mediums ranging from conventional painting and photography to video and performance art. With its fully revised bibliography, *History of Modern Art* Fourth Edition is an essential volume for anyone with a curiosity about modern art and culture. Book jacket
