There is a need to ensure the continued effectiveness of measures that the Government is taking, which may require additional measures to address areas such as the need for information, good practice and further training, and to ensure that the measures are being implemented properly and consistently. A final

How to use the configuration wizard: Select the type of device you want to use (e.g., PC, tablet, or smartphone) and click the **Next** button. The wizard will then guide you through the configuration process, including setting up the device, connecting it to the network, and configuring the application. Once the configuration is complete, you can click the **Finish** button to exit the wizard.
