SUBJECT: Addressing Proper Usage of the Breakroom Facilities

Dear Influno Team,

It has come to our attention that the usage of the breakroom facilities requires some guidelines to ensure its cleanliness and availability for everyone. As we all deserve a tidy space to relax and refuel, we're introducing the following measures:

- **Clean as You Go:** After using any utensils, dishes, or equipment, please wash and return them to their original spots. This ensures the next person doesn't have to clean up before they can use something.
- **Label Personal Items:** If you're storing any food or drinks in the refrigerator, ensure they're clearly labeled with your name and the date. Items without labels or past their freshness date might be disposed of during weekly cleanings.
- **Respect the Quiet Time:** To create a peaceful environment for everyone, let's avoid loud music or conversations between 12 PM to 1 PM, which is the peak break time for many of our colleagues.

Let's all work together to maintain a positive and productive work environment where everyone feels comfortable and valued.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
