Globalization

is a force or process that involves the entire world and results in making something worldwide in scope

How was the recession that began in 2008 an example of globalization?

The entire world was in debt for more than a half a century (together)

In what ways is globalization of culture manifested in the landscape? Provide an example

Globalization of culture is manifested in the landscape can be by culture beliefs. An example is making fast food chains that all have the same appearance so that wherever you go you know where you can eat.

In what ways has the communications revolution played a role in globalization?

The communications revolution played a role in globalization because during the communications revolution, there were newspapers being invented so that everyone could know the 'worldwide' news.

Why might some group(s) of people oppose globalism or globalization?

Some groups might oppose globalism or globalization because there is such an advance in technology and they might not be able to keep up with different trends. They might also oppose it because then some of their culture might "fade away" based on what people are doing and the whole idea of globalization.
