been a source of comedy from decades but very few people are willing to openly admit it Many executives think humor and laughter are unproductive unprofessional and being serious and gloomy is the only way to spend their work life This is why most modern workplaces have become extremely humorless artificial and stressful But we don t have to be humorless to run a business Actually the ability to laugh at yourself and your work are the qualities of great and successful leaders Having a

sense of humor can lighten up difficult situations and creatively solve many personal and business problems You must be able to think in atrocious ridiculous and illogical terms Modern management consultants call this thinking out of the box but I call it old fashioned creativity and humor that has existed from centuries Top Secret Business Humor is a collection of witty satire related to corporate stuff like processes performance change strategy customer satisfaction meetings quality and other workplace dramas we endure for several hours a day This book is all about imagining the creative and wackier side of working in an office to rejuvenate and brighten your day The chapters are all fictitious and can be taken with a pinch of salt though the paper used may not be edible The author makes no representations or warranties of any kind with respect to the accuracy usability or usefulness of the contents So get serious about injecting some humor in your life **The Humor**
