Hundred Years War Vol Trial By Battle:

The Hundred Years War, Volume 1 Jonathan Sumption, 1999-09-29 What history records as the Hundred Years War was in fact a succession of destructive conflicts separated by tense intervals of truce and dishonest and impermanent peace treaties and one of the central events in the history of England and France It laid the foundations of France's national consciousness even while destroying the prosperity and political preeminence which France had once enjoyed It formed the nation's institutions creating the germ of the absolute state of the seventeenth and eighteenth centuries In England it brought intense effort and suffering a powerful tide of patriotism great fortune succeeded by bankruptcy disintegration and utter defeat The war also brought turmoil and ruin to neighboring Scotland Germany Italy and Spain *The Hundred Years War, Volume 1* Jonathan Sumption, 1999-09-29 A History Book Club selection

The Hundred Years War, Volume 4 Jonathan Sumption, 2015-09-04 Jonathan Sumption's Cursed Kings is the eagerly anticipated fourth volume in what Allan Massie has called one of the great historical works of our time Cursed Kings tells the story of the destruction of France by the madness of its king and the greed and violence of his family In the early fifteenth century France Europe's strongest and most populous state suffered a complete internal collapse As the warring parties within fought for the spoils of the kingdom under the vacant gaze of the mad King Charles VI the country was left at the mercy of one of the most remarkable rulers of the European Middle Ages Henry V of England who had destroyed the French army on the field of Agincourt in October 1415 and left most of France's leadership dead Sumption recounts in extraordinary detail the relentless campaign of conquest that brought Henry to the streets and palaces of Paris within just a few years He died at the age of thirty six in a French royal castle in 1422 just two months before he would have become king of France Six centuries later these extraordinary events are overlaid by the resounding words of Shakespeare and the potent national myths of England and France In Cursed Kings Jonathan Sumption strips away the layers to rediscover the personalities and events that lie beneath

Hundred Years War Vol 1 Jonathan Sumption, 2011-05-05 Compulsively readable History this is the first volume in a series that details the long and violent endeavour of the English to dismember Europe's strongest state a succession of wars that is one of the seminal chapters in European history Beginning with the funeral of Charles IV of France in 1328 it follows the Hundred Years War up to the surrender of Calais in 1347 It traces the early humiliations and triumphs of Edward III the campaigns of Sluys Crecy and Calais which first made his name as a war leader and the reputation of his subjects as the most brutally effective warriors of their time Trial by Battle is an account of the events of a pivotal period in both French and British history from Wolfson History Prize winning author and historian Jonathan Sumption A new and immensely impressive history of the war Daily Telegraph

The Hundred Years War, Volume 2 Jonathan Sumption, 1991 Covers the period from the Truce of Calais in 1347 to the 1367 victory at Najera and its aftermath

The Hundred Years War Jonathan Sumption, 1999 Trial by Fire In the second volume of his celebrated history of the Hundred Years War Jonathan Sumption examines the middle years of the

fourteenth century and the succession of crises that threatened French affairs of state including defeat at Poitiers and the capture of the king

Hundred Years War Vol 3 Jonathan Sumption, 2011-06-02 Divided Houses is a tale of contrasting fortunes In the last decade of his reign Edward III a senile pathetic symbol of England's past conquests was condemned to see them overrun by the armies of his enemies When he died in 1377 he was succeeded by a vulnerable child who was destined to grow into a neurotic and unstable adult presiding over a divided nation Meanwhile France entered upon one of the most glittering periods of her medieval history years of power and ceremony astonishing artistic creativity and famous warriors making their reputations as far afield as Naples Hungary and North Africa Contemporaries in both countries believed that they were living through memorable times times of great wickedness and great achievement of collective mediocrity but intense personal heroism of extremes of wealth and poverty fortune and failure At a distance of six centuries as Jonathan Sumption skilfully and meticulously shows it is possible to agree with all of these judgments

Trial by Battle Jonathan Sumption, 1999

The Hundred Years War, Volume 4 Jonathan Sumption, 2017-03-28 The eagerly anticipated fourth volume of Jonathan Sumption's prize winning history of the Hundred Years War

The Hundred Years War Vol 5 Jonathan Sumption, 2023-08-29 Sumption is that rare and precious thing a serious decent honest thinker and one of our finest historians Dan Jones Sunday Times Gripping and eminently readable a compelling justification for the enduring value of historical narrative The Times Unsurpassed and probably unsurpassable Daily Telegraph In this final volume of his epic history of the Hundred Years War Jonathan Sumption tells the story of the collapse of the English dream of conquest from the opening years of the reign of Henry VI until the loss of all of England's continental dominions except Calais thirty years later This sudden reversal of fortune was a seminal event in the history of the two principal nation states of western Europe ending four centuries of the English dynasty's presence in France and separating two countries whose fortunes had once been closely intertwined creating a new sense of national identity in both The legacy of these events would influence their divergent fortunes for centuries to come Behind the clash of arms stood some of the most remarkable personalities of the age the Duke of Bedford the English Regent who ruled much of France Charles VII of France who patiently rebuilt his kingdom after the disasters of his early years the captains populating the pages of Shakespeare Fastolf Montagu Talbot Dunois and above all the extraordinary figure of Joan of Arc who changed the course of the war in a few weeks at the age of seventeen The Hundred Years War ends in England's agonising defeat but triumph for Jonathan Sumption There is no doubting his achievement It is as everyone says a monumental work Spectator
