Shaw,Atta-ur-Rahman,Akhilesh Surjan,Gulsan Ara Parvin,2016-01-06 Urban Disasters and Resilience in Asia presents the latest information on the intensity and frequency of disasters Specifically the fact that in urban areas more than 50% of the world s population is living on just 2% of the land surface with most of these cities located in Asia and developing countries that have high vulnerability and intensification The book offers an in depth and multidisciplinary approach to reducing the impact of disasters by examining specific evidence from events in these areas that can be used to develop best practices and increase urban resilience worldwide As urban resilience is largely a function of resilient and resourceful citizens building cities which are more resilient internally and externally can lead to more productive economic returns In an era of rapid urbanization and increasing disaster risks and vulnerabilities in Asian cities Urban Disasters and Resilience in Asia is an invaluable tool for policy makers researchers and practitioners working in both public and private sectors Explores a broad range of aspects of disaster and urban resiliency including environmental economic architectural and engineering factors Bridges the gap between urban resilience and rural areas and community building Provides evidence based data that can lead to improved disaster resiliency in urban Asia Focuses on Asian cities some of the most densely populated areas on the planet where disasters are particularly devastating *Self-Defense in Mexico* Luis Hernández Navarro,2020-03-02 In

Mexico and across other parts of Latin America local Indigenous peoples have built community policing groups as a means of protection where the state has limited control over and even complicity in crime and violence Luis Hernández Navarro a

leading Mexican journalist offers a riveting investigation of these armed self defense groups that sprang up around the time of the 1994 Zapatista uprising in Chiapas Available in English for the first time the book spotlights the intense precarity of everyday life in parts of Mexico Hern ndez Navarro shows how the self defense response which now includes wealthier rancher and farmer groups is being transformed by Mexico s expanding role in the multibillion dollar global drug trade by foreign corporations extraction of raw minerals in traditionally Indigenous lands and by the resulting social changes in local communities But as Hern ndez Navarro acknowledges self defense is highly controversial Community policing may provide citizens with increased agency but for government officials it can be a dangerous threat to the status quo Leftists and liberals are wary of how the groups may be linked to paramilitary forces and vulnerable to manipulation by drug traffickers and the government alike This book answers the urgent call to understand the dangerous complexities of government failures and popular solutions
