Peace, Purpose, and Potential Reed Griffin, 2011-09-02 Peace Purpose and Potential began as a ministry tool for inmates in the state prison system particularly the ones locked down in the cell blocks These are guys that Reed desires to disciple but might only see once It is a collection of things that he wants to share with them from the Bible and things he has learned through his own struggles and Gods faithfulness For us to improve our life and realize our potential we must learn to make better decisions In other words we must be transformed by the renewing of our mind As Reed began writing he realized that a maturing Christian in the prison system is not that different from a maturing Christian outside the prison system so the focus is not only on inmates but maturing Christians in general of all ages Chapters 14 address biblical principles then the focus changes from principles to life application of those principles in chapters 515 The goal of Peace Purpose and Potential is to inspire maturing Christians to pursue peace purpose and their God given potential in all aspects of their life
