Persephone Eva Pohler, 2016-04-11 Unrest brews among gods and mortals alike when Hades makes a deal with the Fates to end his loneliness in the Underworld But when Persephone proposes to conspire with him in a plot against Demeter things get out of hand Find out the truth of how Hades and Persephone met and fell in love and the impact it had on the rest of the pantheon in the throes of the Trojan War Learn how their children Hypnos Thanatos Megaera Tisiphone Alecto and Melinoe came into being Discover why they were assigned their respective duties as Sleep Death the Furies and the goddess of ghosts Find out the real reason why the Olympians possessed such profound disdain for these Underworld gods This prequel to The Underworld Saga is more than a retelling of the Persephone myth Many more of the ancient myths are woven together to reveal the conflict tension and relationships among the gods in one of the most beloved pantheons in human history Persephone can be read before or after The Underworld Saga Formerly called The Gatekeeper's Bride Praise for Persephone I love how Eva created the love story of Hades and Persephone It's both beautiful and tragic in many ways Book Lover Reviews This is such a beautifully and originally retold version of the legend of Persephone and Hades while still feeling true to the mythology This is an emotional roller coaster of a book my heart just breaks for Persephone but I'm not going to say why you'll just need to read it Tamara Such fun heart warming stories You really really want things to work out for the them but well life and death wait for no one Kathy Goodwin Well written and fast paced Really enjoyed it Looking forward to reading the next ones K Giegkorov Although this doesn't follow the exact timeline of the more traditional Greek mythologies this is definitely a good read I had the HARDEST time putting the book down and was even reading instead of working at times By far one of my favorite younger targeted books that I've read in a long time Easy read detailed and exciting to the very last page Well done Princess Julie Excellent Very easy to read Liked the mythology mixed with a modern vibe Goodreads Reviewer Grab your copy to continue the exciting adventure today Related authors C Gockel Anthea Sharp Susan Kaye Quinn Cassandra Clare Chanda Hahn Quinn Loftis Kim Richardson S T Bende Karen Lynch Kimberly Loth Richelle Mead M Lynn Allie Burton Ashley

Jewish Drama & Theatre Eli Rozik,2013-07-01 Jewish drama and theatre has followed a tortuous path from extreme rabbinical intolerance to eventual secular liberalism with its openness to the heritages of both Judaism as a culture and prominent foreign cultures to the extent of multicultural integration No wonder therefore that since biblical times until the seventeenth century there are only examples of tangential theatre practices This initial intolerance shared by the Church was rooted in pagan connotations of theatre rather than in the neutral nature of the theatre medium capable of formulating and communicating contrasting thoughts Whereas by the tenth century the Church understood that theatre could be harnessed to its own ends Jewish theatre was only created seven centuries later through spontaneous and amateurish theatrical practices such as the Yiddish purim shpil and the purim rabbi Due to their carnivalesque and cathartic nature these practices were tolerated by the rabbinical establishment albeit only during the Purim holiday But as a result Jewish drama and theatre were created and emerged despite rabbinical antagonism Under the influence of the Jewish Enlightenment Yiddish speaking theatres were increasingly established a trend that became central in the cultural enterprise of the Jews in Israel This process involved a renewed use of Hebrew as a spoken language and the transition from a profound religious identity to a secular Jewish one characterised by a basic liberalism to the extent of openness to cultures traditionally perceived as archetypal enemies of Judaism This book sets out to analyse play scripts and performance texts produced in the Israeli theatre in order to illustrate these trends and concludes that only a liberal society can bring about the full realisation of theatre s potentialities Awakening Spirit Belladonna LaVeau,Belladonna Laveau Hps,2007-11-30 Finally making these long awaited transformational classes available to all Awakening Spirit combines a deeply empowering personalized experience with a formal curriculum that is balanced comprehensive and challenging **Innovations of Antiquity** Daniel L. Selden,Ralph Hexter,2013-11-19 A collection of essays representing the cutting edge of critical thinking in Greek and Roman literature in America today *Argonautica* Apollonius of Rhodes,2025-09-15 Anyone who s ever been fascinated by The Magnificent Seven or a Marvel Comics movie that brings together a team of great epic heroes for a noble cause will understand the archetype and the paradigm that animates Apollonius s version of the ancient myth of the Argo in which an assemblage of highly charismatic pre Trojan War heroes embarks on a daunting adventure This new edition of the epic can play an invaluable role in any number of classes that involve ancient literature or that focus on heroic quests in literature of any period Readers will be able to understand not only the story itself but also the culture that produced it and further the

complicated and sometimes inconsistent values of heroism and nobility which are both celebrated and challenged in Apollonius's great poem. Lombardo and Polesny render the *Argonautica* in a poetic form with helpful narrative rubrics and extended similes set off in italics that allows the story to unfold powerfully but in a measured way as only verse can. This allows the reader to pay attention to patterns of imagery and the fine crafting of character, personality, dialogue and diction that somehow are blurred in prose translations that focus on exposition, information and episode. The translation is ever clear, animated, direct and dramatic, preserving the interested voice of Apollonius, one of the most self-consciously artful narrators in the epic canon, the not entirely disarming charms of Jason and the ever charismatic power of the bewitching Medea. It's hard to imagine a more accessible and relatable rendering of the story or one so well-paced and exciting. Students will benefit from an excellent apparatus that includes Maps, a detailed Glossary and a helpful Appendix with selections from Euripides plus a masterful Introduction by Tara Welch that is also a first-rate literary essay on the poem's major themes. Among these, her ruminations on Jason's dubious leadership and wavering stature highlight the unique appeal and brilliance of this great adventure story. Michael Calabrese, Professor of English, Cal State LA and translator of *Piers Plowman: The A Version*, revised edition, Catholic University of America Press.

Persephone Unveiled Charles Stein, 2006-06-09 *Persephone Unveiled* reveals the goddess in all her guises as the daughter of Demeter, the Queen of the Underworld, the archetypal female healer and as a central figure in the Eleusinian Mysteries where celebrants experienced sacred visions through secret rituals fueled by an LSD-like substance. The author examines the known details about the psychoactive agent and explores the Mysteries' influence on and relationship to early Christianity. Guided meditations using active imagination techniques help readers summon an experience with the goddess.
