remained in production through 1975 as the MH 1970 MI 1971 MJ 1972 and MK 1973 1975 series the original Clymer
manual provided coverage beyond its publication date and effectively included those models from 1965 through 1975 While

technical publications for your classic motorcycle or automobile as many of the reprints found on internet websites are from
bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more
than poor quality digital or comb bound photocopies that are scanned or printed complete with greasy pages and
thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often
advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle
