Henley,2010-01-11

Originally written for young people Being a Human Being is in fact a book for all ages Designed as a curriculum to teach his sons important lessons that he felt were missed in the conventional school system the author Alan Henley conveys concepts and wisdom gleaned from decades of searching for truth as well from the challenging experience of parenting teenagers This writing has enjoyed an enthusiastic reception from educators counselors parents and the general reader who may be seeking self understanding Being written with the young teenager in mind the subject matter is presented in a clear concise easy to understand manner Being a Human Being helps us to deepen our awareness and understanding of our thoughts and actions as well as paving the road toward self acceptance and true peace of mind **Kiplinger's Personal Finance** ,1959-09 The

most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **What Is Religion?** Nigel Ajay Kumar,2013-09-11 What Is Religion is one of those questions rarely asked by Christian theologians who engage in interreligious discourse Nigel Kumar makes the case however that to answer the question is critical for Christian scholars attempting to negotiate multiple religious identities as well as for those who want a clearer understanding of their own faith as religion Kumar takes a historical approach to answering the question He traces the development of the concept of religion and then formulates a theological answer not only by looking at an Indian theologian Chenchiah but also by listening to other secular and theological voices

From Primitive to Indigenous James L. Cox,2016-04-22 The academic study of Indigenous Religions developed historically from missiological and anthropological sources but little analysis has been devoted to this classification within departments of religious studies Evaluating this assumption in the light of case studies drawn from Zimbabwe Alaska and shamanic traditions and in view of current debates over primitivism James Cox mounts a defence for the scholarly use of the category Indigenous Religions
