The International Handbook of Psychology Kurt Pawlik, Mark R Rosenzweig, 2000-07-21 The International Handbook of Psychology is an authoritative resource covering all the main areas of psychological science and written by an outstanding set of authors from around the world. The 31 chapters cover not only scientific but also applied cross disciplinary aspects. Supervised by an International Editorial Advisory Board IEAB of 13 eminent psychologists and edited by Professors Kurt Pawlik and Mark R Rosenzweig, it is being published under the auspices of the International Union of Psychological Science IUPsyS by SAGE Publications Ltd in London. The International Handbook of Psychology will be invaluable to advanced undergraduates, graduate students and academics in psychology and will also be of interest to students of education, sociology, political science, humanities, philosophy, informatics, cognitive sciences, neuroscience, legal sciences and criminology and will serve as a general resource/reference text written at a level comparable to Scientific American. This impressive volume covers a tremendous amount of work. It is well organized; authors have generally kept to a standard brief. It is also truly international both in authorship and the origin of the work referenced. This will provide a very useful reference book for undergraduate and post graduate students. *British Journal of Educational Psychology*
