Connell, 2012-09-04 In 2011 61 year old Kristine Casey delivered the greatest gift of all to her daughter Sara Connell Sara s son Finnean Kristine the gestational carrier of Sara and her husband Bill s child then became the oldest woman ever to give birth in Chicago While Finnean s birth made local headlines Sara s memoir will inspire the nation with this modern family s remarkable and untold story of the parents who wanted nothing more than to have a baby and the mother who would do anything for her daughter After unsuccessfully trying to conceive naturally years of fertility treatments and three lost pregnancies Sara and Bill began giving up hope of bringing a baby to term When Kristine offered to be their surrogate they were shocked but after serious consideration and dozens of medical exams the three embarked upon the miraculous undertaking that culminated in Finnean s birth Connell s memoir recounts the heartbreak of losing pregnancies the process of opening herself to the idea of her mother carrying her child and the profound bond that blossomed between mother and daughter as a result Inspiring and ultimately triumphant *Bringing in Finn* is a tale of despair hope and redemption and the discovery that with unconditional love there are no limits to what can be achieved New York Magazine , 1992-05-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York , 1992-05

New York Magazine , 1992-05-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Hannah's Dress* Pascale Hugues, 2017-04-28 Hannah s Dress tells the dizzying story of Berlin s modern history Curious to learn more about the city she has lived in for over twenty years journalist Pascale Hugues investigates the lives of the men women and children who have occupied her ordinary street during the course of the last century We see the street being built in 1904 and the arrival of the first families of businessmen lawyers and bankers We feel the humiliation of

defeat in 1918 the effects of economic crisis and the rise of Hitler's Nazi party. We tremble alongside the Jewish families whose experience is so movingly captured in the story of two friends Hannah and Susanne. When only Hannah is able to escape the horrors of deportation the dress made for her by Susanne becomes a powerful reminder of all that was lost. In 1945 the street is all but destroyed the handful of residents left want to forget the past altogether and start afresh. When the Berlin Wall goes up the street becomes part of West Berlin and assumes a rather suburban identity a home for all kinds of petite bourgeoisie insulated from the radical spirit of 1968. However this quickly changes in the 1970s with the arrival of its most famous resident superstar David Bowie. Today the street is as tranquil and prosperous as in the early days belying a century of eventful tumultuous history. This engrossing account of a single street awarded the prestigious 2014 European Book Prize sheds new light on the complex history not only of Berlin but of an entire continent across the twentieth century.

Nothing Ever Just Disappears Diarmuid Hester, 2024-02-06. An exploration of artistic freedom, survival and the hidden places of the imagination including James Baldwin in Provence, Josephine Baker in Paris, Kevin Killian in San Francisco and E. M. Forster in Cambridge among other groundbreaking queer artists of the twentieth century. *Nothing Ever Just Disappears* is a radical new history of seven queer lives and the places that shaped these groundbreaking artists. At the turn of the century in the shade of Cambridge's cloisters a young E. M. Forster conceals his passion for other men even as he daydreams about the sun-warmed bodies of ancient Greece. Under the dazzling lights of interwar Paris Josephine Baker dances her way to fame and fortune and discovers sexual freedom backstage at the Folies Bergère. And on Jersey Island in the darkest days of Nazi occupation the transgressive surrealist Claude Cahun mounts an extraordinary resistance to save the island she loves scattering hundreds of dissident artworks along its streets and shorelines. *Nothing Ever Just Disappears* brings to life the stories of seven remarkable figures and illuminates the connections between where they lived, who they loved and the art they created. It shows that a queer sense of place is central to the history of the twentieth century and powerfully evokes how much is lost when queer spaces are forgotten. From the suffragettes in London and James Baldwin's home in Provence to Kevin Killian's San Francisco and Derek Jarman's cottage in Kent, this is both a thrilling new literary history and a celebration of freedom, survival and the hidden places of the imagination. *Counting on Love* R.
