Fountain's Glory Micah Brien,2002-04 Fountain Lindsey runs a charter boat business on the Florida Gulf coast His business is good but something crawls in Fountain s stomach something that is a gnawing need to do something better with his life To sail may be the answer Not just a Sunday afternoon outing but a real sail The weather people he knows and good sense tells him to stay in The boat stored on his dock is too old he is a fisherman not a sailor But the need is established and he has to go And if he is going he is going to make it big He is going to forget what is sane and proper and go around the world And he is going all the way on the boat Fountain s Glory **Possum's Tale** Thomas Polvogt,2025-01-15 What makes a person go to a freshly dug grave and dig up a discarded baby with no means of keeping that child hidden or even alive For five years this child has had no interaction with humans but one Then this child then survives in the wilderness alone and makes his way into civilization He has no mother no father no relatives and no history Yet he has a desire to break through all the assumptions made about him to become a man of integrity to be understood and accepted Just when he is finally making his way and becoming a benefit to others and an asset to society he is wrongly accused He is convicted without being allowed to make any kind of defense Possum is slow to trust people but quick to trust almost any horse His encounters with people produce anxiety They make assumptions about him that cause frustration irritation and annoyance He is chased from his childhood home and compelled to live alone in the wilderness Even when he finds friendship and a place to grow and learn he is pursued by men who want to capture him or kill him He survives and flourishes and begins to make a real life for himself before he is falsely accused and has to find a new way of living How can he maintain his integrity be true to his new values and yet stay out of a prison that he does not deserve 2 River Forecasts Provided by the National Weather Service ,1975
