The public image of the janitor is as a person cleaning toilets, emptying trash cans and mopping the floor.

Prior

Today, people prefer custodians, as they consider this job sounds more important.

The janitor is less preferable as compared to the custodian but they can also do the same tasks.

Difficulties

Custodians don't get much money; their salary depends on the company they work for. But the average salary is not good enough.

A janitor can not work from home like another worker, as he has to be present in the working place. Moreover, being a janitor is a hardworking job with manual labor.
