Jap 80 Engine User Manual:

Handbook on Japanese Military Forces U.S. War Department, 1944 In 1944 the U S Army published this manual for its officers in the Pacific Theater an expanded version of the original 1942 manual of the same name and ever since it has been the best single reference source on the wartime Japanese military available in the English language By 1944 the army had had time to assess its enemy closely and was coming to understand him and its vast knowledge was distilled into the handbook The handbook details the Japanese military system field organization tactics and weapons and equipment and the strengths and weaknesses that resulted from them Extensively illustrated it contains sections on the Japanese special forces the military police uniforms and insignia and conventional signs and abbreviations It covers besides the army the Japanese Air Service with emphasis on its tactics and organization Issued to officers for briefings and periodically updated the handbook s purpose was to assist in the winning of the war and thus it strove to be absolutely reliable for its users in combat It was compiled by a team of officers who integrated the research of others and it contains information provided by the U S Marines and also by British and Australian intelligence Packed with information it is a major primary source that military historians and World War II buffs will find fascinating
