

CUSTOMISATION

Learn to personalise your macarons and give them a festive touch ...

COLOURED-EGG-ON FILLED MACARONS

For seven macarons _____
 Colour egg _____ 500 g (1 1/4 lb)

Chocolate egg _____ 10 g (1/2 oz)
 Coloured icing/powder, paste or liquid _____

1. Bring 100 ml (1/2 fl oz) water, sugar, glucose and a little colouring to the boil. Without stirring, bring the syrup to a maximum temperature of 100°C (212°F).
 2. Line a baking tray with baking paper or a silicone mat.

3. Stop the cooking of the sugar at 100°C (212°F) and wait for a minute. Dip half the macarons in the syrup (be careful not to burn yourself!). Arrange them on the tray.

CHOCOLATE-COATING-ON FILLED MACARONS (see picture)

For seven macarons _____
 Lollipop sticks _____ 10

Chocolate (dark, bitter or medium) _____ 600 g (1 lb 3 oz)

1. Once the shells are cooked, turn them over on a tray. Fill half of them with a small knob of chocolate ganache (see recipe page 161-162), then push the lollipop sticks lightly into the ganache. Cover with the remaining shells and press lightly to hold the lollipop sticks in place. Place in the refrigerator for a minute.

2. Melt 400 g (14 oz) of the chocolate in a bowl set over a saucepan of simmering water. Once it is completely melted (40-45°C/105-115°F), remove from the saucepan and incorporate the remaining chocolate to lower the temperature of the mixture. Mix well so that all the solids have dissolved, then place the bowl back

over the saucepan for a minute just to bring it back to the right temperature (30-35°C/85-95°F).

This technique, called 'tempering' the chocolate, preserves its glossiness and avoids streaks of more butter once it cools down.

3. Dip the macarons into the melted chocolate with the help of the lollipop sticks. Hold over the melting bowl to let the excess run off then carefully arrange the macarons on a tray covered with a silicone mat, a dipping sheet (see picture) or plastic wrap. Carefully remove the lollipop sticks. Place in the refrigerator to set.

BURNING THE SHELLS AFTER COOKING (see picture)

A common and quick technique for customising the shells after cooking, using ingredients readily found: you just need to lightly dip a pastry brush into a little of the melted butter left in the mixing bowl,

then particular parts or a little ganache or butter cream. Lightly brush the shells using clean but delicate strokes, in order to create stripes, then let the shells dry at room temperature.
