Joseph Smith The Prophet Truman G Madsen:

Joseph Smith Edward Allebest, 2025-08-22 The Church of Jesus Christ of Latter day Saints has always had detractors trying to both discourage investigators from joining the church and encourage members to abandon the church Their primary tactics are to slander Joseph Smith his teachings and the church he claimed to have restored Without some fundamental knowledge about Joseph Smith and his legacy these anti LDS materials can create confusion doubt and a crisis of faith The first three essays of this collection explore Joseph Smith s character accomplishments and discipleship With that foundational information in place the reader is better prepared to examine the various controversies The fourth essay delves into the quagmire of criticisms that have enveloped Joseph Smith his doctrine and the LDS Church and suggests how to navigate the tactics used by antagonists The Prophet Joseph Smith C. Paul Smith, 2019-04-10 Joseph Smith Prophet and the founder of The Church of Jesus Christ of Latter day Saints continues to be the subject of adulation by many but he is the object of derision by some Mormon critics C Paul Smith an experienced trial attorney and strong defender of Joseph Smith highlights six historical and doctrinal issues pertaining to the prophet that remain the subject of debate plural marriage the succession of leadership following his death the stories of three splinter churches that broke off from the church founded by Joseph Smith the Book of Abraham blacks and the priesthood and six alleged false prophecies made by Joseph Smith The chapters on plural marriage give a concise history of key events of its introduction as a part of the restoration of the gospel of Jesus Christ The chapter on the Book of Abraham scrutinizes and exposes the fatal flaws in the arguments made by some Egyptologists that Joseph Smith s translation of the Book of Abraham is a fabrication The chapter on blacks and the priesthood analyzes race relations in the 20th century and it reviews some lesser known statements by Joseph Smith The chapter on three LDS splinter churches provides important historical insights about three organizations that broke away from the Church in 1844 1852 60 and 1863 With debate still swirling around Joseph Smith it is more important than ever to understand the truth about him in order to appreciate the quality of who he was and the great importance of his work

Joseph Smith Robert Vincent Remini, 2002 Chronicles the life of the founder of the Mormon Church from his birth in 1805 through the visions he started receiving at age fourteen to his assassination in 1844 **500 Little-Known Facts about Joseph Smith** Wayne J. Lewis, Jana Lee Cox, Lee Nelson, 2023-02-02 Can you name the 117 angels that appeared to Joseph Smith You ll be able to after reading this book With interesting facts inspiring stories and even his patriarchal blessing 500 Little Known Facts about Joseph Smith is a perfect book to have on hand for your family for teaching lessons and giving talks or for personal study **Joseph Smith** Robert V. Remini, 2002-10-14 Robert Remini s work on the Jacksonian epoch has won him acclaim as well as the National Book Award In *Joseph Smith* he employs his keen insight and rich storytelling gift to explore one of the period s major figures The most important reformer and innovator in American religious history Joseph Smith has remained a fascinating enigma to many both inside and outside the Mormon Church he founded Born in 1805

Smith grew up during the Second Great Awakening when secular tumult had spawned radical religious fervor and countless new sects His contemplative nature and soaring imagination the first of his many visions occurred at the age of fourteen were nurtured in the close loving family created by his deeply devout parents His need to lead and be recognized was met by his mission as God's vehicle for a new faith and by the hundreds who magnetized by his charm and charismatic preaching gave rise to the Mormon Church Remini brings Smith into unprecedented focus and contextualizes his enduring contribution to American life and culture within the distinctive characteristics of an extraordinary age *Joseph Smith, the Prophet* Truman Madsen, 2008-12-26 Joseph Smith's Polygamy, Volume 2: History Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and exposés multiplied it was not until 1852 that Mormons in Brigham Young's Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith's poignant response and the possibility of Joseph Smith offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson's own private research conducted in the late nineteenth century Telling the story of Joseph Smith's polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all **Knowing Brother Joseph Again** Davis Bitton, 2011-07-01 We live in an age of relativism What is beautiful for one is not for another what is good and moral for one is not for another and what is true for one is not for another Such an attitude widespread in the world condemns those who testify of truth I shudder at the thought that my presentation here will lead to such soft relativism I do not think that everything is up for grabs with each person's opinion being equally valid Just as Jesus was either Savior and Redeemer of the world or he was not so Joseph Smith was either a true authorized prophet of God or he was not In recounting his visions either he spoke the truth or he did not Yet the fact

remains that different people saw him in different ways Even his followers emphasized different facets at different times All human beings are complex and resist the reductionism that would dismiss them with a single adjective or noun People like Joseph Smith are rich and complex Different people saw him differently or focused on a different facet of his personality at different time Inescapably what they observed or found out about him was refracted through the lens of their own experience Some of the different flickering not always compatible views are the subject of this book Davis Bitton Davis Bitton s life was cut short before he could finish revisions on this collection of insightful essays about Joseph Smith a prophet whom he also considers a hero in both classical terms and the context of nineteenth century America Knowing Brother Joseph Again explores images of Joseph Smith from both the devotion of believers and the hostility and skepticism of opponents Joseph Smith Richard Lyman Bushman,2007-03-13 Founder of the largest indigenous Christian church in American history Joseph Smith published the 584 page Book of Mormon when he was twenty three and went on to organize a church found cities and attract thousands of followers before his violent death at age thirty eight Richard Bushman an esteemed cultural historian and a practicing Mormon moves beyond the popular stereotype of Smith as a colorful fraud to explore his personality his relationships with others and how he received revelations An arresting narrative of the birth of the Mormon Church Joseph Smith Rough Stone Rolling also brilliantly evaluates the prophet s bold contributions to Christian theology and his cultural place in the modern world Joseph Smith, Jr. Reid L. Neilson,Terryl L. Givens,2009-03-05 Mormon founder Joseph Smith is one of the most controversial figures of nineteenth century American history and a virtually inexhaustible subject for analysis In this volume fifteen scholars offer essays on how to interpret and understand Smith and his legacy Including essays by both Mormons and non Mormons this wide ranging collection is the only available survey of contemporary scholarly opinion on the extraordinary man who started one of the fastest growing religious traditions in the modern world
