

JOURNAL ENTRIES SECONDARY LEVEL I.F.D. N°13

Zapala, Neuquén.

GROUP: 5º 1

STUDENT: Fernanda Emili E. López

Observations' Journal:

Date: 28/04/15

Class: 5º 1

Today was my first day with the group 5º 1º. I have to say it was completely different from my previous experiences with the primary level since adolescents' world is completely different to children's. To begin with, I think they didn't even listen to which my name was and they showed kind of indifferent to the fact that I was present in one of their English classes.

I was kind of surprised about the fact that when I asked the teacher about students' level of English, he said that they were beginners. I'm quite concerned about this because they are in their last year of secondary education and their level of English should at least be a little bit higher than the one they own.

The teacher greeted the students and they instantly started to speak in Spanish. He proposed to play a game of girls against boys so they all showed enthusiasm. The group was sitting in 4 rows in front of the teacher and looking at the board. The desks are supposed to be for two people but as many students still don't have their course books some students sat in groups of three.
