

My Work Experience Diary Essay

It was my first day of work experience, (I worked at the Morrisons head office at the Cutler Heights Division) I woke up at 8:00a. m, and I got ready and went downstairs and ate breakfast. I went to my work experience with my brother in his car, I got there on time, I was nervous and thought it was going to be boring but it was quite interesting really. I went inside and the receptionist told me to sit down while she called someone. A man named Mike came and took me into the administration department and into his office. (He was the company accountant).

He told me all about the company and what it does and what I was going to do. I had my own desk with a computer. I started off with some filing and later on I did some production orders on the computer. There were 7 people in the same as room as me. They were friendly and kind to me. I finished at approximately 3:00, the senior clerk (whose name was Angela) told me I had done a good job and I could go home. I was working next to a motorway and had to go through tunnels to get to the bus stop. At first I couldn't find the bus stop but after ten minutes I found it and had to wait for about five minutes before the bus came.

I told him to let me off at the next bus stop and asked him where the bus stop to Bradford was. He told me and I got off and I had to walk quite a long way back, but I found the bus stop straight way and got on, this time I asked the bus driver where the bus was going and he told me Bradford. I was relieved, I sat down and got home fifteen - twenty minutes later.

The next day, I woke up earlier because I had to go on the bus. I didn't want to go because I was tired but I managed to get up and get ready. I got at my workplace on time. I went to my desk and sat down and waited for the Angela to come and tell me what work I should do. I started off doing some lot number accounting that was just sorting out some lot numbers. I did that for most of the day and did some typing on the computer later on; I was bored to death and shattered at the end of the day. I went straight home and went to sleep for a few hours. The next few days were the same, I felt like not c
