

TOPICS for JOURNAL WRITING

- What is the most beautiful thing you've ever seen?
- Have you ever been in love? How do you know?
- What is the hardest truth you've ever learned?
- What is your greatest dream in life?
- Does history repeat itself? Why or why not?
- If someone were to guess what kind of person you are based on your handwriting, what do you think they would predict?
- Make up an alter ego for yourself. Give him or her a name, and then describe his or her qualities, looks, etc.
- If you could invent one thing to make your life easier, what would it be?
- Who is your hero? What do you admire about him or her?
- What is the greatest lesson you've ever learned?
- How would you feel if your best friend got something that you've really wanted? How would you respond?
- Do you prefer to donate time or money to those in need? Why?
- Do you find it difficult to make new friends? Why or why not?
- What is the best day of the year? Why is it so special to you?
- What does your dream house look like? Describe it in detail.
- Do you remember much of your past? Why do you think that is?
- What is the greatest gift you could ever receive? What would make it so special?
- How would you describe yourself to someone who had never met you? Write your description as though you were a character in a book or a movie.
- Do you regularly remember your dreams? Write about your most vividly remembered dream.
- Write about your most cherished memory of all time.
- What does it mean to be a good friend? What type of friend are you?
- Do you think of yourself as a cool person or a warm person? Why?
- What is the most interesting thing about you? Why? Is it a trait you share with other people, or is it something that is unique to you?
- What is the greatest mistake you've ever made?
- If you could visit one destination in space, what would it be? Why?
- How old were you when you first knew what you wanted to do with your life? How did that feeling evolve over time?
- What is your greatest fear? Do you think it is realistic or not? Why?
- Write about a time when you learned something new about yourself.
- What is your most deeply held belief?
- If you could have any one question answered, what would it be? Who could answer it for you?
- Do you think you would like being a parent? Why or why not?
- Who is your celebrity crush? What do you find appealing about him or her?
- Write about a time when you felt pure joy.
- Write about a time when you made something up as you went along.
- If you were to have a mantra, what would it be? When would you use it?

challenges In depth legal references citations and research plus a comprehensive glossary and table of federal statutes and regulations

Tracing the Impact of First-Year Writing Laura Wilder, 2024-11-15 Tracing the Impact of First Year Writing presents the results of a large scale longitudinal study of college writers that explores the impact of a required first year writing course with a comparative approach not previously available Over five years Laura Wilder conducted 143 interviews with and collected 774 pages of writing from 58 students half of whom had taken a new first year writing course and half who had not Wilder found that while in many ways the experiences of both groups are comparable demonstrating how students receive valuable educations in rhetoric and writing from a variety of sources beyond a first year writing course students who took the first year writing course were much more likely to identify as writers This identification supported students use of writing in powerfully generative and knowledge building ways that they carried with them long after the course into other appropriate contexts In contrast to previous longitudinal studies of college writers undertaken at institutions with high prestige and resources Tracing the Impact of First Year Writing explores the role of writing at a regional public university and documents how students experiences with writing can be highly divergent across the curriculum and unequal across campuses Additionally this book includes the voices of students who do not identify as capable writers and have strongly negative emotional reactions to writing and writing instruction and adds empirical support to innovative calls in the field to transform the first year writing course into one that inspires students to reflectively consider writing itself

Writing as a Learning Activity Perry Klein, Pietro Boscolo, Lori Kirkpatrick, Carmen Gelati, 2014-04-10 Writing as a learning activity offers an account of the potentials of writing as a tool for learning Four aspects of writing emerge particularly clearly through the chapters First writing to learn depends on the cognitive strategies of the writer instruction in such strategies contributes significantly to the ability to use writing as a learning tool Secondly strategies for writing and reasoning are largely specific to academic disciplines Thirdly writing is not as traditionally conceived only an individual ability but also an activity that is social It is a collaborative practice facilitated by representational tools books computer notes schemata drawings etc by which knowledge is acquired organized and transformed at various levels of complexity Fourthly writing is a productive activity exemplified by the varied and positive effects of writing on learning different subjects at various educational levels

Teaching to Exceed in the English Language Arts Richard Beach, Ashley S. Boyd, Allen Webb, Amanda Haertling Thein, 2022-07-21 Timely thoughtful and comprehensive this text directly supports pre service and in service teachers in developing curriculum and instruction that both addresses and exceeds the requirements of English language arts standards It demonstrates how the Common Core State Standards as well as other local and national standards highest and best intentions for student success can be implemented from a critical culturally relevant perspective firmly grounded in current literacy learning theory and research The third edition frames ELA instruction around adopting a justice inquiry and action approach that supports students in their schools and community contexts Offering new

ways to respond to current issues and events the text provides specific examples of teachers employing the justice inquiry and action curriculum framework to promote critical engagement and learning Chapters cover common problems and challenges alternative models and theories of language arts teaching The framework knowledge and guidance in this book shows how ELA standards can not only be addressed but also surpassed through engaging instruction to foster truly diverse and inclusive classrooms The third edition provides new material on adopting a justice inquiry and action approach to enhance student engagement and critical thinking planning instruction to effectively implement standards in the classroom teaching literary and informational texts with a focus on authors of color integrating drama activities into literature teaching informational explanatory argumentative and narrative writing supporting bilingual ELL students using digital tools and apps to respond to and create digital texts addressing how larger contextual and political factors shape instruction fostering preservice teacher development

The Argument Writing Toolkit Sean Ruday, 2015-07-16 In order for students to write effective arguments they need to read good arguments In this practical book you ll find out how to use mentor texts to make writing instruction more meaningful authentic and successful Author Sean Ruday demonstrates how you can teach middle school students to analyze the qualities of effective arguments and then help them think of those qualities as tools to improve their own writing You ll learn how to Introduce high interest topics to students to get them interested and engaged in argument writing Teach students to look at multiple sides of an issue and critically evaluate evidence to construct informed defensible arguments Make argument writing an interactive student driven exercise in which students pursue their own writing projects Use mentor texts to help students learn the core concepts of argument writing and apply those skills across the curriculum The book is filled with examples and templates you can bring back to the classroom immediately as well as an annotated bibliography which links the concepts in this book to the corresponding Common Core State Standards Blank templates are also available as printable eResources on our website <http://www.routledge.com/9781138924390>
