Copyright Entries. Third Series Library of Congress. Copyright Office,1976 **Ethics in the University** James G.
Speight,2016-08-26 It is the continuous reports of unethical behavior in the form of data manipulation cheating plagiarism
and other forms of unacceptable behavior that draw attention to the issues of misconduct The causes of misconduct are
manifold whether it is the need to advance in a chosen discipline or to compete successfully for and obtain research funding
Disappointingly individuals who are oriented to any form of dishonesty are individuals who had previously displayed little or
no consideration for the feelings of others and are therefore more interested in themselves at the expense of the students and
others recognizing them by any means necessary This ground breaking and honest examination of ethics in the university
setting is unabashed in its descriptions of misconduct in the academic world The text is well furbished with numerous
citations that point to academic misconduct and the final chapter deals with the means by which misconduct can be mitigated
a strong reminder to everyone in the academic community that above board conduct must be part of our overall message of
learning and part of the whole point of education in the first place A must have for academics and non academics alike this
text is the second in a series of books on ethics by James G Speight and it is useful to anyone in any industry who is
interested in ethical behavior and how to navigate the sometimes murky depths of our professional lives The Official
Record of the United States Department of Agriculture United States. Department of Agriculture,1929 Special Report of
the Commissioner of Education on the Condition and Improvement of Public Schools in the District of Columbia United
States. Department of Education,1871 The Practical Teacher ,1882 *Army-Navy-Air Force Register and Defense Times*
,1914 *Resources in Education* ,1992 **Journal of Education** ,1900 *Special Report of the Commissioner of*
Education on the Condition and Improvement of Public Schools United States. Bureau of Education,1871
