Hevans To Becky The Nephilim English Edition:

Nephilim: Legio Trilogy Book 1 K.B. Emerson, 2015-02-27 Eons before man's appearance on earth a war waged between the Host of Heaven and the Fallen Angels who followed Satan in his rebellion against God. The Fallen seduced women and the cataclysmic results were their children known as the Nephilim, a terrible mix of human and angel DNA that can only be described as perverse monstrosities. In the final days before the end of ages, two ancient armies consisting of both human and angel emerge from the shadows. Wielding weapons forged in heaven as well as on earth, the final war between good and evil begins. The outcome rests on Vin Angel and Parabellum, a secret and powerful group specializing in counter terrorism. In Nephilim Book 1 of the Legio Trilogy, biblical characters come to life and their stories take on new and applicable meaning. Legends become reality and the chosen few who are allowed to see beyond the veil between reality and the spiritual realm realize they are the vanguard separating mankind and the very powers of hell. **The Origin Prophecy** M.A. Phipps, Rebecca Jaycox, 2024 Can love overcome millennia of hate? Life hasn't been kind to LUNA and after spending the last year in a psychiatric hospital, she doesn't believe she has much of a future. Until she meets the new doctor with the strange golden glow who tells her she's special and doesn't belong there. When he transfers her out of the facility to a school in Egypt for children with angelic blood, Luna begins to realize there might be more to her troubled past than she has always believed and that a future might be possible for her after all. But Luna is an outcast everywhere she goes and in the one place where she's meant to belong, she finds solace in the one person she shouldn't. Caleb is a Dark, Lights and Darks aren't supposed to be friends. And yet she finds herself drawn to him despite the forces around them trying to keep them apart. As a Dark Nephilim, CALEB has spent his whole life hating Lights, so when his teacher volunteers him for a transfer opportunity to the Light school in Alexandria, he is opposed to the idea. Until she reveals that his grandfather is imprisoned at the academy and Caleb decides that being the one Dark in a school full of Lights will be worth the prejudice he'll face for the chance to set him free. But then Caleb meets Luna and suddenly releasing his grandfather is no longer his priority. Luna is a Light, Caleb shouldn't like her. And yet he finds himself feeling things for her despite duty, logic, and sense warning him not to. Luna and Caleb are prepared to fight for each other, but with a prophecy and the threat of a second Fall to contend with, they'll face greater hurdles than just their differing bloodlines. Can they overcome the ancient rift between their kind, proving love can prevail over hate? Or will their budding relationship become another casualty to war. **Perfidy, The Debacle Series, Book 1** Ardith A.
