PTSD: A Puzzle Piece That Does Not Fit

JESSEY MUÑOZ
STORY BY OSCAR MUÑOZ

Hidden Enemy Ptsd A Puzzle Piece That Does Not Fit

Xiang Xie

Hidden Enemy Ptsd A Puzzle Piece That Does Not Fit:

Hidden Enemy Jessey Munoz, 2014-12-26 Not many people understand PTSD Not many people have had to write about PTSD for another person Reading emails and taking notes from personal conversations with his brother the author manages to develop a biography for his brother that starts in the cotton fields of Arizona and goes through the battle ground of Vietnam The stories of battles that were fought take on the writer s edge making the battle scenes imaginative because as a writer he was never on the front line The war jargon and the actual feelings his brother had as he walked point for the company are convincingly scripted on the pages of this book which can even be read by young adults The author had to visually walk alongside his brother to understand how he felt as he took that first step into the Song Thu Bon River He pictured the feelings he must have had as he took each step toward the point of no return The author carefully imagines the elation a young Marine feels when he makes it safely to the other side of the river having carried out an order given to him by his commanders The writer walks in his brother s shoes as he bunkers down in the middle of cross fire He captures the feeling of sadness as his brother s best friend is placed in a body bag The author had to envision being a Marine and that he did well as a civilian and as a writer This story is based on the life of a young Marine who with all his mind and soul wants to make things right in his life The only thing that stops him are the hidden enemies that still linger in his head and the enemies that openly cross his path Together the author and his brother have one thing in common their family and Hispanic heritage This Hispanic heritage is interwoven in the pages of this book making it both interesting and enlightening Hidden Enemies is a story that needs to be told a story that needs to be read Comfort in the Ashes Michelle K. Keener, 2025-01-14 However you define it deconstruction is impossible to deny Ian Harber knows the fear and grief of deconstruction firsthand Here he tells the story of his own process of deconstruction and reconstruction over ten years and lays out a vision for a faith environment that can foster genuine reconstruction through healthy relationships The Video Source Book David J. WEINER, 1990 Halliwell's Film, Video & DVD Guide , 2007 **AB Bookman's Weekly** , 1991

Embracing the Melody of Phrase: An Mental Symphony within **Hidden Enemy Ptsd A Puzzle Piece That Does Not Fit**

In some sort of consumed by displays and the ceaseless chatter of fast conversation, the melodic beauty and mental symphony produced by the published term often fade into the background, eclipsed by the constant sound and interruptions that permeate our lives. But, situated within the pages of **Hidden Enemy Ptsd A Puzzle Piece That Does Not Fit** an enchanting literary prize brimming with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this fascinating masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound impact resonating within each carefully crafted phrase. Within the depths with this touching assessment, we will explore the book is key harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
