Hidden History Of Litchfield County:

Hidden History of Litchfield County Peter C. Vermilyea, 2014-11-04 Local historian Peter C Vermilyea tells stories of some forgotten moments in Litchfield County CT from Native American legends to Cold War relics Traces of Litchfield County's past are hidden in plain sight Vestiges of long abandoned railroad tracks crisscross the county while a decaying and unmarked cinder block structure in Warren is all that remains of a cornerstone of national defense All but forgotten today a fire roared through Winsted in 1908 causing residents to flee their rooms at the Odd Fellows boardinghouse In Bantam art deco chairs made by the Warren McArthur Corporation prompted the War Department to order bomber seats from the company during World War II Author Peter C Vermilyea explores these and other obscure tales from the history of Litchfield County Connecticut

Wicked Litchfield County Peter C. Vermilyea, 2016-07-18 Thieves rumrunners and rapsallions all color the unsavory side of Litchfield County history Townspeople accused women of witchcraft simply for not bearing enough children in the early days of the region During the eighteenth and nineteenth centuries Owen Sullivan and William Stuart took advantage of the county's isolated stretches and a currency shortage to build counterfeiting empires In 1780 Barnett Davenport's brutal actions earned him infamy as the nation's first mass murderer Small time speakeasies slowly took hold and the omnipresence of alcohol fueled crime led to the birth of the nationwide prohibition movement Local historian Peter C Vermilyea explores these and other devilish tales from the seedier history of Litchfield County

Litchfield County and the Civil War Peter C Vermilyea, 2024-02-19 Union victory in the Civil War was far from guaranteed The Northern war effort depended upon local communities to raise the troops and supplies needed for the battlefield The history of Litchfield County highlights the challenges Northern communities faced Armed confrontation erupted over the flying of secession flags Supporting the war effort provided women with skills and experiences that would aid in the suffrage movement Scandal swirled around the local army medical examiner Family and friends actively supported their loved ones as they transformed from civilians to soldiers Author Peter C Vermilyea uses first hand accounts many never published before to investigate these events and show how the process of preparing for war created a lasting bond between a community and its soldiers

Hidden History of Connecticut Union Soldiers John Banks, 2015-10-26 Over fifty thousand Connecticut soldiers served in the Union army during the Civil War yet their stories are nearly forgotten today Among the regiments that served at least forty sets of brothers perished from battlefield wounds or disease Little known is the 16th Connecticut chaplain who as prisoner of war boldly disregarded a Rebel commander's order forbidding him to pray aloud for President Lincoln Then there is the story of the 7th Connecticut private who murdered a fellow soldier in the heat of battle and believed the man's ghost returned to torment him Seven soldiers from Connecticut tragically drowned two weeks after the war officially ended when their ship collided with another vessel on the Potomac Join author John Banks as he shines a light on many of these forgotten Connecticut Yankees
