Journey From Hell:

A Journey to Hell, Heaven, and Back Ivan Tuttle, **Journey from Hell** Carmine Vincent Marino, 1996 An intimate glimpse at the drive and sensitivity that the young Vincent Marino possessed which ultimately resulted in his founding one of the most innovative substance abuse rehabilitative programs in the nation *My Journey to Hell* Michael H. Yeager, 2014-05-25 If you dare Open the pages of this graphically illustrated book and enter into a world that is more horrifying then the human mind can ever imagine As you read Mike Micah Yeager s personal experience of going to hell You will experience a gut wrenching journey of unspeakable torment and unimaginable sorrow Mike Yeager s from that time to now has never been the same and neither will be yours **The Journey** Alessandra Raed, David Baikie, 2020-12-30 The Journey is a theatre play inspired by some of the concepts of The Divine Comedy which is a long narrative poem written by Italian poet Dante Alighieri in the early 1300 The poem has an imaginative vision of the afterlife and describes Dante s travels through the three places Inferno Purgatory and Paradise while allegorically the poem represents the soul s journey towards God The poem is also a representation of the medieval Western world view of Christianity The conception of the poem also helped the development of the Western Church in the 14th Century The Journey follows a personal journey through the afterlife lived by David Baikie an Australian war veteran who hit the bottom of suicidal depression in his early 30s Using the structure of the poem the play is also divided into three parts Inferno Purgatory and Paradise and underlines David s fears emptiness distress and suicidal thoughts during his time in the Army and the recognition of the worst time of his life just after leaving the Army due to his illness The message of the play serves to show awareness to suicide and depression and the horrible feelings and thoughts that go along with it and that affect most people in our contemporary world Our culture is haunted by the unholy ghost of suicide the ones who surrender are mercilessly judged by society and those who don t are at risk of contagion How then do we help those on the edge of self destruction Through theatre The human spirit is magnificently resilient Choice is a signature of our species We choose to live and sometimes we choose to die but most times we make choices just to prove choice is possible Looking at suicide through theatre and accepting there is a choice it is a good choice In Dante s work Virgil the Roman poet who takes Dante through his journey is presented as the human reason Beatrice Dante s ideal woman is presented as the divine knowledge In the play the leading role of Dante is played by David Baikie who had recently discovered theatre as an art form of surviving and a life changing experience Virgil still symbolises the reason who constantly checks on Dante s thoughts showing him what he would have found on his way out of this life if he actually had left earlier Beatrice in the play represents the true love an almost spiritual sense of love that has not much to do with the love as we know it but the love that is higher than our consciousness can possibly reach The Divine Comedy tells Dante s journey through the three realms of the dead Virgil guides Dante through Hell and Purgatory and Beatrice guides him through Heaven Beatrice was a Florentine woman Dante had met in childhood He admired her from afar

in a courteous love tradition way In The Journey Dante David walks the dark road of hell recognizes the sacrifice and lessons of Purgatory and finally in Paradise he understands the reason we all are and must be alive in our own time That surrounded by love and small acts of everyday heroism towards other people we can actually choose to survive the darkness and to find light Journey to the Kingdom Jon Meier,2025-08-13 This is a book of spiritual poems that are designed to lift up the reader while speaking of Jesus and God s love The book is something that could be added to your everyday devotion time It could also help someone who is looking to strengthen their relationship with Jesus and God I believe that Jesus and God are the purest forms of love in the world and everyone should be able to experience this feeling The intent of the book is to help those whose souls are lost and let them get to know Jesus and God the way they have helped me in my spiritual growth

Jenkins,2003-06 Finding Joy in the Journey Vickie Tingwald,2021-07-12 In every life and family there is a story waiting to be told In this book our family would like to share with you one of our greatest discoveries In our darkest hour of suffering we found joy in the journey We have learned many hard lessons and still have unanswered questions but through it all God was with us every step of the way Each of us faced different giants to battle but we can all say we are stronger more determined and have a greater eternal perspective than ever before On our worst days we were not without hope and found true joy in knowing we were never alone The one who fights our battles was right

combined with impeccable logical proofs and demonstration It deals with the definition of the soul the proof of its existence its birth as corporeal and its survival as spiritual various levels of the soul and the body the vertical development of the soul through its substantial motion the soul body relation the holistic approach to psychosomatic diseases the resurrection and post mortem survival of the soul the body of the resurrection his original interpretation of metempsychosis the meaning of Heaven and Hell and the intellectual or spirituas worlds beyond this world The central issue in this work is self knowledge The human soul is created in the Image of God with a purpose This image comes to full actualization through self knowledge which according to Mulla Sadra is the key to knowledge of God the Day of Resurrection and the Return of all creatures to God
