

Judicial Branch in a Flash

Name: _____

It's All About the Robes

Actually, it's not. The cool black robe judges wear is the first thing a lot of people think of when they hear the word "judicial." But the first thing you really need to know is how courts were created. The only court the United States Constitution actually creates is the **Supreme Court**—the highest court in the country. The Constitution also allows Congress to create other courts. When Congress created those courts, the federal court system was born.

The federal system is divided into districts called circuits.

Two Court Systems

Here's the confusing part: There are two systems of courts in the United States. The **federal court system** deals with disputes about laws that apply to the entire United States. **State court systems** mostly deal with disputes about state laws. Each state has its own court system created by its own state constitution. Whether people take their case to a federal or state court depends on the laws involved in the case. The good news is that state court systems usually work just like the federal court system.

Which Court to Use

Each court system deals with certain kinds of cases. Federal courts hear cases involving federal laws, the U.S. Constitution, or disputes between citizens of different states. State courts hear cases involving state laws or the state's constitution. They also deal with disagreements between citizens of the state. State courts normally resolve the kinds of issues you hear about in everyday life, such as family matters, accidents, crimes, and traffic violations.

Most legal issues that people have got resolved in the state court system.

Civil: relating to the rights of citizens

Criminal: relating to crime

Criminal v. Civil

Most trials you see on TV involve a person who has been accused of a crime. But **criminal cases** are not the only kind of cases that go to trial. Sometimes people have a disagreement that they can't resolve on their own. Often, one side feels that the other side violated their rights in some way. This kind of case is called a **civil case**. The goal of a civil case is not to find out whether someone is innocent or guilty, but to decide which side's version of the story is correct.

You're On Trial!

The trial court is the first court to hear a case. Both the state and federal systems have trial courts. In the Federal system, the trial court is called a District Court. In the trial court, lawyers use **evidence** to try to prove that their client's side of the story is what really happened. Evidence can be almost anything—witnesses, videos, photographs, a letter, a piece of fabric, or even a murder weapon! In a **jury trial**, a group of twelve people listens to the evidence and decides who wins the case. That decision is called the **verdict**. In a **bench trial** there is no jury, so the judge gives the verdict.

Which roles do you recognize?

Judicial Branch In A Flash P2 Answers:

Judicial Branch In A Flash P2 Answers: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Judicial Branch In A Flash P2 Answers : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Judicial Branch In A Flash P2 Answers : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Judicial Branch In A Flash P2 Answers : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
