Excerpt from Manual of Pi Kappa Alpha On the night of March 1st 1868 the Pi Kappa Alpha Fraternity was founded at the University of Virginia and for forty years this College order has lead indeed a varied career First it loomed up brightly on the horizon of the Grecian world and promised fair to become a worthy rival of its older and more strongly entrenched fellows Then the hand of Fate was laid upon her and at the end of twenty years with only two chapters to sustain her good name her era was about closed her sun seemed to be almost set It was at this time that a mere handful of her noble sons came to the rescue and by almost superhuman efforts succeeded in raising the drooping standard and planted it more firmly than ever before About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
